Local Woman Named Alternate

By TROY MARTIN

A Canyon housewife will go to the national Democratic convention in Miami as an alternate delegate from the state of Texas.

Mrs. Andrea Green, a staunch supporter of George McGovern from the precinct up, was chosen as one of the two alternates from the 31st Senatorial District at the state Democratic convention in San Antonio Tuesday.

Mrs. Green is the wife of West Texas State University assistant professor of history, Dr. Michael Green. She lives in voting Precinct 6 and was named chairman of the precinct convention but lost out to Benny Turner for the right to lead the delegation to the county convention.

She is a staunch supporter of McGovern and has expressed strong feelings about US involvement in the war in Vietnam.

Turner, a delegate from Randall County, said the convention was chaotic.

"I don't think it represented the people of Texas," he declared.

"Texas delegates are going to be split three ways and can exert no real strength in the national convention," Turner declared. He said George Wallace will control about a third of the delegate strength to the national convention.

Randall County's delegation to the state convention was split. "The 31st Senatorial District voted as a district rather than by counties and the Randall County delegates didn't even sit together," Turner reported.

Randall County delegates voted 14-6 in support of Eddie Bernice Johnson, Dallas Negro, who won over Roy Orr, who was Dolph Briscoe's choice for vice chairman. Senator Max Sherman headed up the senatorial district's delegation.

Sherman, who is uncommitted but believed to lean to Hubert Humphrey, was named a delegate to the national convention.

The other two delegates are Jim Bynum of Amarillo and Ruth Osborne, commiteewoman from Pampa. Turner said Bynum favors George Wallace and that Mrs. Osborne says she also may go for Wallace.

Turner said the district's second alternate Steve Busby of Springlake, Texas, has expressed himself for Wallace.

Joe Batson, committeeman from Amarillo, was named alternate at large.

Randall County's Roberta Hicks was tapped for the state resolutions committee.

Turner said a large part of the Randall County delegation was disenchanted with the new rules governing convention procedure. Several of them are working to get the rules changed back to the way they were previously.

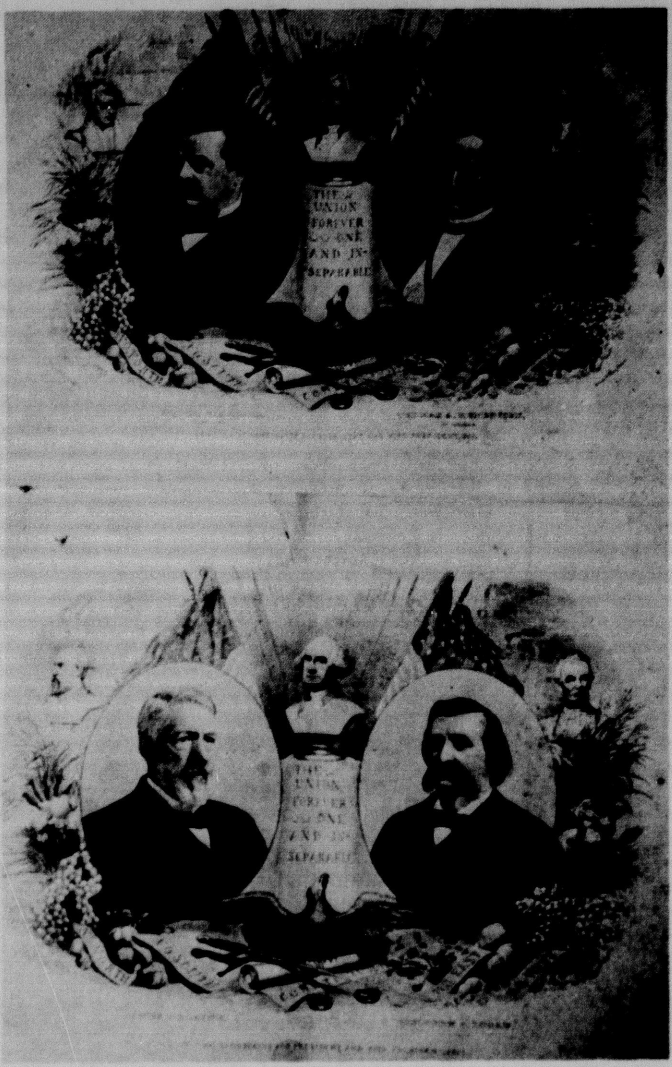
"The new rules are not good," Turner opined. "Nothing was organized. It was total confusion. We just couldn't get things moving."

He said the convention was slated to start at 9 a.m. Tuesday but the delegates still were standing in line trying to get their credentials at noon. The convention got underway about 1 p.m. and dragged on until 1 a.m. Wednesday.

"There was a lot of grumbling and the convention did not represent the state of Texas" Turner asserted.

"I got my ears whipped down," Turner confided. "I was proposed as a national delegate three times and was defeated every time."

MRS. ANDREA GREEN



Appropriate reminders of history, especially in a year such as 1972, are these 1884 Democratic and Republican Presidential campaign posters which were found recently in a box of old newspapers at the library of the Panhandle-Plains Historical Museum.

Termed Priceless

Museum Finds Posters

There are some new things around the library at Panhandle-Plains Historical Museum which tend to generate interest in the current Presidential campaigns in the Democratic Party.

To begin with, officials found two 1884 Presidential campaign posters in a box that had been filled with old newspapers.

One poster is for the Grover Cleveland-Thomas Hendricks ticket for the Democratic Party, and the other was for Republican candidates James G. Blaine, the presidential nominee, and Gen. John Logan, the vice presidential choice.

Another recent addition to the museum's library collection is a rare book of Presidential portraits from the collection of B.R. Barfield of Amarillo.

The book is registered as number 778 of a limited edition published in 1906.

On the cover is a golden Presidential Seal, which protrudes about a quarter inch.

Inside the book are portraits of Presidents of the United States from George Washington to Theodore Roosevelt. It is believed the addition of Roosevelt was something of an afterthought because he was omitted from the Table of Contents and because the inscription indicates he was in office three years after the book was published.

The book was originally presented to the late O.W. Eakle of Amarillo on Sept. 10, 1906.

Museum officials believe that either the portrait of Roosevelt was added after the book was printed and presented, or that the publishers had faith that Roosevelt would remain in the White House until 1909.

The campaign posters from the 1884 election are almost identical, at first glance for party designation and pictures of the candidates.

Upon closer inspection, however, it is noticeable that lesser portraits of Presidents—except for George Washington, who appears on the posters of each party in identical places—are different on each poster.

Ulysses S. Grant and Abraham Lincoln appear in the background on the Republican poster and Thomas Jefferson and Andrew Jackson appear on the Democratic poster.

There is no immediately available value for either the posters or the book, but museum officials say they could be classified as "priceless."

Canyon Days Activities Added

The fireworks display for the Canyon fourth of July celebration has been billed as more spectacular than ever.

Cary Magness, who is in charge of July 4th activities, said Tuesday the fireworks have been ordered and the Chamber of Commerce is trying to improve the display each year.

From 2,000 to 3,000 people attended the celebration last year, Magness said. "We are looking for a good old-fashioned, flag-waving activity," he added.

Canyon Days will be held in conjunction with the July 4th celebration year. Canyon Days are set from July 3 through July 8.

Other activities planned for the fourth include a program by children enrolled in the summer recreation program at 6:30, a watermelon feast at 8 p.m. and the fireworks at 9:45, all in Conner Park.

A performance by a community band is also being arranged, Magness said. The Women's Chamber of Commerce will sponsor concession booths in the park.

The Randall County Sheriff's Posse will hold the World Championship Pony Express contests at the arena July 7 and 8.

The tournament will be held at 8 p.m. both days at the arena two miles south and one-half mile west of Canyon on the Lubbock highway.

The price of admission will be $2 for adults and .75 for children 16 and under. Entry fees will be $10 per team. Both women's and men's teams can be entered but the women's teams cannot be named World Champions.

The deadline for entries is June 17. Trophy belt buckels will be awarded to each member of the first, second, and third place winners. First place winners will also receive a hand-tooled Traveling Saddlebags trophy.

The Swisher County Sheriff's Posse won the tournament in 1966 and 1968 with the Randall County Sheriff's Posse winning in 1967, Plainview Red in 1969 and 1970 and Floydada Sandhills in 1971.

The contest was originated and developed by the Randall County Sheriff's Posse.

A parade is scheduled to begin at 10:30 a.m. July 8. The chamber has 25 confirmed entries for the parade at this time which is about three times as many entries as this time last year, according to Ken Thompson.

Thompson said he expected several more entries for the parade.

The parade will end at Conner Park where skydivers will dive into the park at noon.

(See CANYON DAYS, Page 2)

Road Superintendent Meets With Commission

Joe West, county road superintendent, met with the commissioners court Monday for the first time since his employment.

West reported some problems with dumping on county roads. Commissioners informed West it is the county's obligation to dispose of debris on the roads and an effort should be made to determine who is doing the dumping.

Commissioner Jim Fletcher suggested to West the County pick up and store any automobile with any value, charging a storage fee.

If the automobile is not claimed then it could be sold to pay the storage. Any items on the road with no apparant value would be disposed of anyway possible, Fletcher suggested.

Commissioners said they would meet with West and county road personnel to discuss problems or policies if West desired such a meeting.

The court gave Justice of the Peace Bill Wilson and W.W. Hancock authorization to pay all jurors who report for duty in JP courts.

Judge Wilson reported to the court, a new law requires the county pay only those jurors who serve, not the entire panel who are called.

The jurors are paid a minimum of $3 a day and not more than $6 a day, Wilson said. The commissioners agreed any member of a jury panel who is called for service and is not excused should be paid.

The court also instructed Judge Wilson to submit any bills from sheriff's offices for the serving of civil papers to the court for payment in the cases filed by governmental taxing agencies who are not required to pay a deposit when the suits are filed.

The court approved a request from LaQuitta Polvadore, district clerk to allow Western Data Service, Inc. of Waxahachie to print and cut cards for the jury wheel.

The cost for the service will be $355 for 23,566 cards, the number of registered voters in the county this year.

The court approved the hiring of Allan Grimes, an Opportunity Plan student from West Texas State University, as custodian and Mrs. Virginia Byars as part-time secretary for the district attorney's office.

Bill Francis of Doshier, Pickens and Francis will meet with the court Monday to discuss the Randall County audit for 1971.

Rain Halts Wheat Harvest In All Of Randall County

Wheat harvest came to a standstill Tuesday due to rainfall of up to three inches which fell across Randall County.

Don Sheets at the Consumers Fuel Association and Elevator in Canyon, said no wheat had been brought to the elevator Tuesday.

Due to the cloudy weather Tuesday, the wheat was not drying and Sheets said it would depend on the weather as to when the harvest would resume.

He reported .70 inch of rain at the elevator and said he had reports from other areas of from .20 to two inches. The rain was heavier in the southeast, Sheets said.

The dry-land wheat brought to the Canyon elevator is good this year, Sheets said, with some making as high as 16 bushels to the acre with 10 to 12 bushels an acre the average.

About two-thirds of the dry-land wheat has been cut and it should be about a week before irrigated wheat harvest is in full swing.

A spokesman at the Umbarger Co-op Elevator said the rain also completely stopped the wheat harvest in that area even though only light showers fell Monday.

The gauge at the elevator registered .10 to .15 inch of rain. It was predicted it would be several days until the harvest could resume in the Umbarger area.

Most of the dry-land wheat in the Umbarger area has been harvested and the irrigated wheat has not yet ripened.

The elevator at Ralph Switch received about one-half inch of rain but reported heavy rains from one and one-half to three inches east of Ralph Switch.

The spokesman said one load of wheat was brought to the elevator Tuesday morning but he suspected it was cut Monday before the rains fell. "The resumption of the harvest depends on the sunshine," he said.

Canyon measured only .30 inch of rain from three days of

(See RAIN, Page 2)

County Sets Sale Today

Randall County will sell at auction two plots of land at 10 a.m. today at the east door of the Randall County courthouse, according to Judge Woody Pond.

The county will sell one acre of land in Umbarger located just off the highway. The land and a barn will be sold as a unit or the land and barn will be sold separately.

Also for sale is the southeast quarter of Block 28 in the McGee and Hutson Addition in the city.

Annual Choral Music Camp To Begin Sunday

More than 100 students have enrolled in the 2nd annual West Texas Choral Music Camp starting Sunday (June 18) on the West Texas State University campus.

The one-week camp offers summer experience in choir, madrigal groups, quartets, ensembles and stage choreography as well as private voice lessons and classes in theory and conducting.

Guest clinician is nationally known choral conductor Dr. Howard Swan, professor of music at Occidental College from 1934 to 1971.

Under Swan's direction, the combined glee clubs of Occidental received high acclaim from audiences throughout the United States and in Europe.

He holds a bachelor's degree from Pomona College, a master's degree from Claremont College and a music doctorate from Pomona.

Before joining the Occidental College faculty, Swan was conductor of the University Glee Club of Los Angeles, the Los Angeles city schools Honor Choir and the Highland Park Presbyterian Church. He directed activities of six choirs at the Pasadena Presbyterian Church for 20 years.

Founder of the Choral Conductors Guild of California and director of the Southern California Choral Music Association, Dr. Swan authored the book, Music in the Southwest, and has contributed articles to several music journals. He is a contributor to a new volume on choral conducting which is scheduled to be published by Appleton-Century-Crofts.

Swan has served as guest director for all-state choruses in Washington, New Mexico, Utah, Hawaii, Arizona, Texas and Michigan. He has been guest lecturer for clinics on the campuses of the universities of Illinois, Michigan State, Minnesota, Michigan, Washington, Oregon, Puget Sound, and for the Meadowbrook School of Music, the Blossom Festival of Ohio, the Southwestern Baptist Theological Seminary and the Aspen Choral Institute. He was one of 11 American choral conductors to receive a Ford Foundation Fellowship in 1963.

High school choral directors serving on the camp faculty here are Jerry Baxter of Levelland, George Biffle of Amarillo High, Larry Guess of Dumas and Tom Jennings of Canyon.

Camp director is Dr. George Umberson, head of the music department at WTSU. Also coordinating events is Dr. Hugh Sanders, associate professor of music and director of choral activities at WTSU.

Poll Here Shows Nixon Out In Front

There isn't much opinion among the "everyday man" yet about who should or should not be President in 1973.

A survey taken earlier this week by the Canyon News shows that some people believe President Richard Nixon will win reelection.

"I think he has worked at his job," said A.C. Jones of Clovis, N.M., who was looking around the Panhandle-Plains Historical Museum, where the poll was taken.

"Nixon has taken initiative no other President has taken," Jones said. "I don't think anyone could do any better."

Jones basically summed up the feelings of five pro-Nixon visitors to the museum. All agreed that the initiative taken by Nixon in attempting to ease relations between the United States and China and in trying to stabilize the economy will win reelection for the Republican incumbent.

Only two persons interviewed favored a Democratic President. They were Mr. and Mrs. Claude Williams of Phoenix, Arizona.

"I think Humphrey will take the nomination," Williams said. "I think he was a good vice president and I think he wll make a good President."

Williams' statement was somewhat surprising because he is from a Republican oriented state; a state, in fact, that is the home of Barry Goldwater, arch-conservative and 1964 Republican Presidential nominee who was defeated by Lyndon Johnson.

"I'm inclined to disagree with my husband, Mrs. Williams said. "I think Senator McGovern is better suited to cure the ills that plague the nation."

Mrs. Joyce Abla of Hereford had a different approach.

"I don't think," she said, "it's a woman's place to keep up with politics. Political beliefs should rest with the man of the house. I feel like man's the boss. Men have always ruled over women and I think it should continue that way."

So, Dick and Hubert and George and George, so much for that minority vote.

Regents OK Bond Sale

West Texas State University board of regents Wednesday authorizing representatives to the board to execute documents necessary to the sale of $300,000 in 1972-A Constitutional bonds.

This figure is WTSU's share of $7,830,000 tentatively sold Monday to First National Bank of Dallas at 3.5711 percent to be shared by state supported institutions of higher learning.

Financial Vice President Virgil Henson said the bond money is not designated and will go into the WTSU sinking fund.

COVERING FUMBLES

by
Dean Mitch Jones

Since I have been an adult I have believed that women are at least the equal of men;--but too few women themselves believe this truth,--and those few are too busy to be much concerned about "lib" movement.

Leta Gill, Canyon, West Texas State sophomore, is shown here giving floating lessons to Susan Coleman, 9, daughter of Mr. and Mrs. John Coleman. Swimming lessons are being taught as a part of the Canyon summer youth program.

Record Number Enroll In Summer Program

Response to Canyon's summer recreation program this year has produced a record number of young people taking part in the activities.

Sam Weaver, program director, said more than 350 youngsters have enrolled in at least one activity, and more are expected as late registration continues.

The program opened Monday, and Weaver said there were more than 89 swimming students on the first day.

Thirty-five youngsters showed up at Hunsley Hills Golf Club for golf lessons, and a like number enrolled in the drama course.

Weaver said 50 students each were in art and bowling classes.

And, a new library program, which was added this year, had 40 people enrolled.

Weaver said the program serves not only Canyon, but people from Amarillo, Happy, Umbarger and other communities. He said some summer students at West Texas State University have even enrolled.

"We are very pleased with the results," he said.

by Troy Martin

FROM THE CANYON RIM

Pass a law and solve any problem has been the motto of people planners for years.

A few months ago the Maryland legislature passed as emergency legislation a statute prohibiting the carrying of hand guns.

The futility of this measure was demonstrated a short time ago when George C. Wallace, a major candidate for President, was shot down in Laurel Shopping Center in Silver Springs, Md.

Anyone bent on fatal mischief can accomplish his goal in spite of laws meant to limit his tools.

Anti-gun legislation merely insures that the law abiding will be left without means of protection while the lawless will have all the guns they want.

If guns finally are prohibited it will be with the sanction of the underworld. Think of what a lucrative business the mafia could establish in gun running!

* * *

Rivalry between the offices of Bob Price and Graham Purcell is becoming fierce.

Price, a Republican, and Purcell, a Democrat, were paired in the 13th District when Texas was redistricted last year and one of them won't be going back to Congress in January.

I got a call last week from Purcell's office about a HEW grant for West Texas State University. Minutes later a call came in from the Price office with the same information.

"I've already got it," I said into the telephone.

"Oh," was the discouraged comment on the other end of the line.

* * *

To cap it off, I got a third call from HEW Tuesday about the same grant.

"We've got a clipping from your newspaper about a HEW grant and we can't find any record of it," said the girl from HEW. "We're confused."

"Sure you're confused, lady. That's the reason they call Washington Disneyland East," I wanted to reply.

I bit my tongue, ground my teeth and didn't comment.

* * *

I haven't heard the bleeding hearts who wanted sanctions against Rhodesia for not turning their country over to a bunch of aborigines saying a word about what's been going on in the little African country of Rwanda.

According to news dispatches, the majority tribe has killed off something like 100,000 of the minority tribe---out and out genocide.

In Nigeria, the majority tribe has just about polished off the Biafrans.

In both cases the victims and those who victimized them are black.

Kenya has yelled the loudest for economic sanctions against South Africa's asinine and self-defeating policy of apartheid.

But this same Kenya treats its citizens of Indian descent as non-persons although they are native to the country whose forebearers settled there to work for the British a century ago. They are no longer allowed to own property or participate in politics.

Strangely enough I have not heard that noble warrior for the rights of minorities, George McGovern, say one word about what is happening in Rwanda, Kenya or Nigeria.

Senator McGovern and his cohorts seem to see victimization of minorities in Nigeria, Rwanda, and Kenya as "internal affairs" with a hands off policy to be strictly followed.

But in Rhodesia and South Africa policies that may be unpalatable to some though much less deadly than the aforementioned should be met with sanctions and United Nations boycott.

Oh consistency.............

* * *

Probably the most pitiful minority in the world is found in the Orient and it is the one to which we owe the most and for which we do the least.

It is the offspring of American GIs and oriental girls.

One such boy was the focal point of a book by Pearl S. Buck. Since a child in Korea belongs to his father, to be fatherless is to be a nobody, not allowed to go to school or to take part in various community affairs.

To Koreans with thousands of years as a near pure race, race means a great deal.

Miss Buck in her book quotes one venerable Korean as saying "The New People should be thrown into the sea."

* * *

Man has no right to mistreat his fellowman because of race or creed.

But neither does this country need to waste time in self-beating or self-recrimination for shortcomings that have been near universal.

Treat a man like a man....yes! Apologize to him for the way his ancestors were treated....never!

Canyon Days...

(Continued from Page One)

A barbeque will be served from noon until 1:30 p.m. Eddie Holcomb is in charge of the barbeque.

Organizations helping with the Canyon Days activities are The Veteran's of Foreign Wars, the Noon Lions Club, the Rotary Club, the Kiwanis Club, the Chamber of Commerce and the Women's Division of the Chamber, the summer recreation program, The American Legion and the Evening Lions.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

WTSU Students—Faculty Have Roles In "Texas"

Taking leading roles in the Paul Green symphonic drama, "Texas" are two members of the WTSU faculty and two WTSU students.

Now in its seventh season, the show, a musical romance of Panhandle history, opens June 22 in the Palo Duro Canyon State Park Pioneer Amphitheatre. "Texas" is produced by the Texas Panhandle Heritage Foundation in cooperation with WTSU.

Jerry Williams, part-time instructor in speech pathology at WTSU and owner of Williams, Etc. in Canyon, will portray the cantankerous gold prospector Tucker Yelldell for the fifth year. Charles E. Wright, associate professor of biology at WTSU, will portray Jesse Armstrong, father of the indomitable Calvin Armstrong, the hero of the western saga.

Cast as Uncle Henry, the rugged but tender-hearted rancher who narrates the musical tale will be Harrel E. (Pinkie) Floyd, a spring semester junior at WTSU.

Floyd has won numerous accolades for his dramatic work at WT, including the Best Actor Award in 1969 for his performance of Bottom in the drama department production of "A Midsummer Night's Dream." He also took leading roles in "Edwin Booth," "The Night Thoreau Spent in Jail," and "Hamlet." A three-year veteran of "Texas" in sundry roles, Floyd will portray the pivotal Uncle Henry for the first time.

Portraying Aunt Anna, wife of Uncle Henry, will be Jane Bivins Lipscomb of Amarillo. Mrs. Lipscomb, a member of one of the Panhandle's leading pioneer families, has appeared on the New York stage and in many productions of the Amarillo Little Theatre, of which she is immediate past president.

Spring semester WT sophomore Steve Hilton of 1104 8th Avenue, is cast as ranch foreman Dave Newberry. Since the amphitheatre opened with "Thundering Sounds of the West" in 1965, Hilton has only missed two summers in the show. He has been variously cast as a member of the cowboy quartet, a dancer, and actor. Voted Best Actor in a Musical this year for his role as Motel in "Fiddler of the Roof," Steve has also held principal roles in "The Tales of Hoffman," WTSU's Opera Workshop production, and 'The Night Thoreau Spent in Jail."

"Texas" plays at 8:30 p.m. nightly except Sunday through August 26. Tickets and further information are available at the "Texas" box office, P.O. Box 268, Canyon, Texas 79015. A barbeque dinner is served before each performance from 6:45 to 8 p.m.

Pitch, Hit, Throw Winners Named

Eight winners or runnersup in four age groups have been entered in the district Pitch, Hit and Throw contest sponsored by Phillips Petroleum Co. to be held Saturday at Amarillo.

The eight were declared winners in local competition last Saturday in a total field of 23 competitors.

In age group nine, the winner was Harbin of 1207 Hillcrest. Runnerup was Mitch Wanamaker of 710 Taylor Lane.

In group 10, the winner was Norman Newman of Box 419, Canyon. Runnerup was Kenneth Don Magness of 1205 9th Ave.

In group 11, the winner was Billy Bender of 703 26th St. Runnerup was Tracy Byrd of 1415 Hillcrest.

Joel McKinney of 2110 12th Ave. was winner in group 12, and runnerup was Monte Harrison of Apt. 95, Canyon Creek Apts.

Rain...

(Continued from Page One)

scattered shower activity.

Moderate showers fell for a brief period Monday afternoon, and considerable drizzle continued throughout the night.

Heavier rainfall amounts were reported in the west part of the city and in other isolated areas.

Buffalo Lake Wildlife Refuge received .23 inch Monday. The level of the lake as of May 31 was 1230 acre feet. The lake holds 16,000acre feet when full.

The National Weather Service office at the Amarillo Air-Terminal has forecast a continuing chance of thunderstorms for the remainder of the week.

For those who say the railroads are at the beginning of the end,

here's a progress report from Santa Fe that says it's much, much more like the end of a beginning.

MORE POWER
We're adding 52 new giant diesels and rebuilding 50 older units to provide a locomotive fleet producing over 3,850,000 horsepower.

MORE CARS
1910 additional cars are coming in 1972, including 100 giant refrigerated hopper cars for in-bulk movement of potatoes, oranges and other perishables.

MORE TERMINALS
Santa Fe's new million dollar rail and truck terminal has now been completed at Houston, Texas to meet expanding truck, Piggy-Back and container traffic.

BETTER SERVICE
Run through trains with connecting railroads link—east, west, and southwest and save hours moving through Santa Fe's electronic classification yard in Kansas City.

BETTER PIGGY-BACK
We're expanding Piggy-Back and container service all along the Santa Fe to handle increasing domestic and international shipments.

BETTER IDEAS
An expanding microwave network linked to our data system for car tracing and locomotive utilization, and plans for the development of a unique coaxial train for moving containers are just a few of the new ideas at work on the Santa Fe.

MORE and BETTER are key words at Santa Fe. What we're *doing*, is why we're saying, rail service is *still* one of the most efficient ways to move freight. What we're spending says so too: over $100 million this year in railway capital expenditures. One billion in the last 10 years. Two billion since World War II.

The railroad industry and the Nation need sensible transport regulatory policies—administered with an even hand. We can take it from there—into a new era of railroading.

Still think the railroads are at the beginning of the end? *For Santa Fe it's more like the end of the beginning!*

Santa Fe—The complete transportation company
moving by rail, truck, air freight, pipeline and land development.
Santa Fe

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

LEGAL

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: JOHN NOEL EDIGER, Defendent, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 17th day of July A.D. 1972, to Plaintiff's Petition filed in said court, on the 2nd day of June A.D. 1972, in this cause, numbered 11,956-A on the docket of said court and styled In the Matter of the Marriage of Marilyn Kay Ediger and John Noel Ediger.

A brief statement of the nature of this suit is as follows, to-wit: Suit for divorce and custody of minor children. as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 2nd day of June A.D. 1972.

Attest: LaQuitta Polvador,
Clerk,
47th District Court

Little League To Sell Candy

The annual Canyon Little League candy sale will be held Saturday, according to Sturdy Wanamaker.

All team members of all Little League teams are to report to Conner Park at 10 a.m. The team members are to wear their uniforms, Wanamaker said.

The managers of each team are to meet at the park at 9:30 a.m. Three parents from each team are needed to drive cars.

The candy, chocolate covered almonds, will sell for $1 a box and will be used to buy uniforms and equipment for the Little League program.

Wanamaker said the league needs to make $1,000 and urged the public to buy the candy.

THERE IS ABSOLUTELY NOTHING

which stretches soil moisture as CLOD BUSTER does. See the proof on the W.R. Stockett farm as contrasted with untreated dry-land wheat. Untreated wheat burned up. Six miles south of Wayside. HURRY—Wheat ready for harvest.

CLOD BUSTER

saves two-fifths of irrigation costs. Apply three-year treatment any time. Bill Stockett has just ordered another 100 tons. Write or call 701 Madison NE, Albuquerque 87110 (505) 268-9206.

Remember

All Canyon and Randall County children who will attend nursery school, kindergarten, or public school and who cannot obtain immunizations from a private doctor, should obtain these free, on Tuesday or Thursday afternoons at 411 Austin Street, Amarillo, Texas.

The Canyon News

The Canyon News, founded in 1896, is an independent newspaper dedicated to the best interest of the community, state and nation.

By CAROL CRAIN

A PACKET FOR THE BRIDE is offered as a consumer service of the United States Department of Agriculture, nowadays.

Inside the decorative folder are booklets such as "Family Fare, a Guide to Good Nutrition"; "A Guide to Budgeting for the Young Couple"; "Vegetables in family meals"; "Beef and Veal in Family Meals"; "How to Use USDA grades in Buying Food"; and "How to Buy" booklets on fresh fruits, vegetables, beef steaks, and roasts.

Several of the booklets contain nutritional recipes to serve as well as a "Food for Fitness"- Daily Food Guide.

If you know a newlywed or would like one for yourself you may write either Congressman Graham Purcell or Bob Price, Washington, D.C.

* * *

I STAND CORRECTED, One readers idea of the Pearl Divers has been refuted by another. And, rightly so.

"Mothballs are 100% paradichlorobenzene...an insecticide" a mother reported to me this week. And noted that youngsters should not play with the mothballs at all-for they could swallow them and cause a run to the hospital emergency room-particularly since everything goes to the mouth during the childhood stages.

Of course, she is right and certainly I was not aware of this at the time of the writing. Thus, you had probably scratch this idea for children.

She did note that the centerpiece prepared by adults would be pretty.

* * *

JOHN CARLILE, Canyon's Marlboro cowboy, was featured in one of the recent "Accent West's"-that new Amarillo based magazine that features area personalities, homes, fashions, and the arts.

Canyon residents have been receiving complimentary copies of the magazine in the mail for the past two months.

* * *

THE MISS WOOL CONTEST is slated in San Angelo the last week of this month. Contestants will come to the Lone Star state from all over the nation to compete for this title.

ZETA TAU ALPHA sorority members, including alumnae Mmes. Stan Elliot, Keith Jones, and Vernard Waren will be traveling to the Four Seasons Lodge at Lake Ozark, Missouri for the ZTA convention.

The convention begins Saturday and several WTSU Collegiates will also be attending including chapter prexy Judy Jackman.

* * *

CONGRATULATIONS to Brad Garner who was named to one of 16 outstanding musicians in the state at solo contests held in Austin.

The flute player is the son of Dr. and Mrs. Gary Garner.

* * *

TEXAS IN JULY WILL FEATURE such happenings as the World Muleshoe Pitching Championship at Muleshoe, rodeos, in numerous towns across the state, and the Champion Pony Express races held in conjunction with Canyon Days here.

* * *

THE MISS TEXAS CONTEST will be hald at Fort Worth also in July. You'll want to watch for beautiful Miss Linda Adams, Miss WTSU. The lovely blonde singer should do well for she combines pose, beauty, and talent magnetically.

* * *

BETSY CLARK DESIGNS are now being found on small round puzzles selling for about $1.50. Betsy Clark fans are sure to find the item great to give as gifts for youngsters (whatever their age.)

* * *

SEA SHELLS make great salad bowls while a giant shell can be used as a centerpiece or made to hold the large salad on a buffet table.

* * *

SPEAKING OF SALADS- make your self a salad bar this summer and feature this great salad:

(This type of salad is served at one of the top area restaurants. And is a do-it-yourself, type)

AT THE SALAD BAR

Have ready to serve in buffet order:

One large bowl of lettuce, cut into leafy chunks

Assorted Salad Dressings:
1000 Island
French
Rusian
Vinegar and Oil
(or whatever)

[illegible] available for your family and guest to top their creation with these vegetables (chilled).

Garbanzo Beans
French cut green beans
Kidney beans
Chopped Onion (purple)
Cherry Tomatoes
Parmesan Cheese
Croutons (seasoned or plain)

(You can also add chopped carrots, bell pepper, or another favorite to your salad bar for additional color and good eating).

Each of the makings is added to the top of the previous one...and the end result is delicious!

News Brief

Ronald E. Anderson, 1520 6th St., has been named to the dean's honor list for the 1972 spring semester at the College of Agricultural Sciences at Texas Tech University.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

Slowpitch Play Begins

Lambo's, the defending champion slowpitch soft ball team, opened this year's season with a 21-10 victory over Lewis & Lewis.

The City of Canyon defeated Kiwanis 18-11 in the second opening night game.

Monday the Kiwanis fell again, this time to Lewis & Lewis, by a score of 10-9. The Faculty team defeated Calvary Baptist 18-10 on Monday.

There are six teams in the league this year, and all games are scheduled to be played at the West Texas State University intramural field.

Tonight, the Faculty will play City of Canyon at 5:30 p.m., and Cavalry Baptist will take on Lambo's at 7 p.m.

Slowpitch Season Schedule

Monday, June 19: 5:30, Calvary Baptist vs Lewis & Lewis; 7:00, Kiwanis vs Faculty.

Thursday, June 22: 5:30, Lambo's vs City of Canyon; 7:00, Kiwanis vs Calvary Baptist.

Monday, June 26: 5:30, City of Canyon vs Lewis & Lewis; 7:00, Lambo's vs Faculty.

Thursday, June 29: 5:30, Kiwanis vs Lambo's; 7:00, City of Canyon vs Calvary Baptist.

Monday, July 6: 5:30, Lewis & Lewis vs Faculty; 7:00, Kiwanis vs City of Canyon.

Thursday, July 10: 5:30, Faculty vs Calvary Baptist; 7:00, Lewis & Lewis vs Lambo's.

Monday, July 13: 5:30, Kiwanis vs Lewis & Lewis; 7:00, Faculty vs City of Canyon.

Thursday, July 17: 5:30, Calvary Baptist vs Lambo's; 7:00, Kiwanis vs Faculty.

Monday, July 20: 5:30, Lambo's vs City of Canyon; 7:00, Calvary Baptist vs Lewis & Lewis.

Thursday, July 24: 5:30, Kiwanis vs Calvary Baptist; 7:00, City of Canyon vs Lewis & Lewis.

Monday, July 27: 5:30, Lambo's vs Faculty; 7:00, City of Canyon vs Calvary Baptist.

Thursday, July 31: 5:30, Kiwanis vs Lambo's; 7:00, Lewis & Lewis vs Faculty.

Canyon Teacher Attends Workshop

William Stocker, science teacher at Canyon Junior High School, is enrolled in a Conservation Education Workshop being offered June 6-23 at West Texas State University.

Directed by Dr. Charles Nelson of the WT department of geography, the workshop meets from 9 a.m. through noon Monday through Friday. The course counts for three hours of graduate level work in education.

The Texas Education Agency is providing a series of speakers or resource specialists who will appear at eight of the 14 class meetings.

Agencies providing resource personnel include the Texas Forest Service, State Water Development Board, Texas Parks and Wildlife Department, Bureau of Economic Geology at the University of Texas in Austin, Mid-Continent Oil & Gas Association and the Soil Conservation Service.

A day-long field trip scheduled for June 22 includes visits to area farms to observe land and water conservation efforts, the agricultural research station at Bushland and a possible stop by Buffalo Lake, southeast of Canyon.

Stocker is attending the workshop on a tuition scholarship from the Palo Duro (Randall County) District of the State Soil and Water Conservation Board.

He resides at 504 Eleventh Avenue, Canyon.

Rotary Hears Talk On Rome

Canyon Rotary Club heard Paul Summers speak on "Rome and Vicinity" at their Tuesday luncheon meeting at the Community Center. Mr. Summers accompanied his talk with slides taken while touring Europe last November.

The Lee Roy Morelands and Mitchell Joneses are returning from the Rotary International Convention in Houston, where they have been representing Canyon Rotary for the past week.

Next week's program will feature John Young Brown, Sr., speaking on "Problems of Aging."

Palisades Palaver

Bridge Being Built With Muscles And Donations

BY VICKI HOOKER

WITH THE HELP of the Lord, two tractors, two wench trucks, the strength of many men, and a water girl named Sherry Seitz, we at last have a two-way bridge on the north side. If you weren't there Saturday, you certainly missed a lot of action! But many, many thanks to those who were there, because now one can drive across without being afraid for his life.

THE TWO flatcars have made an excellent foundation for the bridge. Now all we need is about $400.00 to $500.00 more in donations to be able to concrete the tops of them. We now have approximately $150 in donations, but the total cost will be somewhere in the neighborhood of $600. It has been explained to me that the flatcars will need to "settle" some before concreting them, but of course the treasury is open now for donations.

WE ARE PROUD of our men for getting the job done right. For so many years this bridge has been a topic of discussion, and at last some progress has been made. So please, everyone who is able, donate your $20.00 for a yard of concrete so that we can complete that project and move on to something else!

THE MEN who worked Saturday were very appreciative of the lunch in the park prepared by Kathy Fleming, Lena Edwards, Cleo Farr, and Lorraine Inman. Each work day, some of the women will be contacted to make sandwiches, etc., and take them to the park. You'd be surprised how many workers you attract that way!

JARRIEL, NELL, GREG, and Doug Moore returned last Thursday from a six-day vacation. Their first stop was on a river just outside Coleman where they attended a reunion of Jarriel's family. Nell said the boys really enjoyed swimming in the river, which was quite a switch from swimming in our creek.

FROM THERE they traveled to Austin to visit Jarriel's sister. Mrs. R.L. Brooks, then on to Dallas for a visit with a niece. Lura Helms. While there they went to Six Flags, but the boys enjoyed swimming in the pool at Lura's apartment house most of all.

THEY RETURNED home Thursday night at 11 p.m., and Jarriel had to leave at 5 a.m. Friday for two week's reserve training Gulf Port , Mississippi.

AT LAST account the Hooker's and the Walker's were in Santa Clara, New Mexico and having a ball. They should be home by tomorrow or Saturday.

STAN HOOKER will probably go the rest of the summer without any injuries, but right now he has a broken wrist, and it just had to happen while his folks were away. Last Thursday night while riding Mike Hooker's Suzuki , he rounded the corner by our house at a much faster speed than necessary, and lost control of the cycle. He now has a hairline fracture of the left wrist, but is doing fine otherwise.

RODNEY THOMPSON is home from the hospital after a seige of hepatitis. He says he feels great, but I'm sure he still needs rest. So you kids might help him out by going to see him one at a time instead of in droves!

WE WERE ALSO glad to hear that Nancy Inman is home from the hospital after suffering with high fever and a kidney infection. She is doing well now, and we hope her recovery continues at a steady pace.

JAMIE WALKER is very proud of his brand new Penton 100, which he got last Saturday. It came in a crate, and J.R. Horne helped Jamie assemble it. Since Saturday he has only been off it long enough to eat and sleep, and that hasn't been for very long at a time!

ROGER STEPHENS, nephew of Mr. and Mrs. Jack Stephens, will be among four young men directing the services for the Golden Spread Youth Rally which will be June 23 through June 25. The rally, sponsored by area Churches of Christ is open to all youth in the Golden Spread and will be held in the Amarillo Sports Arena at the Tri-State Fairgrounds.

The theme of the rally will be "Searching for Maturity," and the entire weekend will be devoted to intensive teaching of youth. David Hutton, a youth evangelist from San Antonio will be the keynote speaker, and music will be directed by Lyndon Latham of Amarillo. Services will begin Friday, June 23 at 7 p.m., and will conclude with a special singing service Sunday at 2:30 p.m. Activities will include special singing groups, recreation, refreshments, and city-wide communion services Sunday at 8 a.m.

BESIDES ROGER STEPHENS, the other young men directing the services will be Ron Loe, Del Glass, and Theron Talley. Again, the rally is open to all youth in the Golden Spread, so don't forget those dates, June 23, 24, and 25.

THE HOOKER family is extremely proud of middle son, Doug, who has surrendered to preach. His decision was made public last Sunday night at Avondale Baptist Church in Amarillo. We would hope that those of you who know Doug would remember him in your prayers as he grows in his service for the Lord.

THAT'S ALL I have for this week. Many thanks to those of you who called and gave me your news. Keep up the good work!

HAPPY birthdays to Tommy Cannon on the 15th and to Nancy Inman on the 17th.

Lake Tanglewood news

CHURCH SERVICES were held inside last Sunday because of rain and wet ground. Special music was provided by two youths. Leann Fletcher and Keith Pyeatt, who sang "Reach Out to Jesus." They were accompanied by Claudine Van Doran on the piano.

CHURCH MEMBERS were very pleased with the 100 new upholstered chairs which were bought with donations.

THE CHARTER Membership roll is closed, but anyone may still join the church either by moving their letter or by establishing an associate membership. At present 65 have joined the church by associate membership and 95 by regular membership. If at present you don't have a church home, the Lake Tanglewood Community Church welcomes you.

A WEDDING took place at the home of Murray and Irene Gray last Sunday at 11 a.m. Their daughter, Lauri was married to Paul Cizon. The happy couple are now on their honeymoon at Hotel Cabo de San Lucas in Baja, California, and Old Mexico. Congratulations to the Grays and to their daughter and new son-in-law!

DEWARD WALKER is home from the hospital and is doing fine even though he is still unable to work. We're certainly glad he is better and hope he is fully recovered soon. Also happy belated birthday to Deward whose birthday was Wednesday.

GENEVIEVE Currie's father, Gene Monnigan, is recovering very well from his surgery and is presently at the Currie home. Mr. and Mrs. Monnigan's home was destroyed in the flood at Sequin, and they plan to move back to Amarillo.

THE SOUTH Amarillo Garden Club was entertained by Virginia Fick last Friday. Members visited the homes of Julia Manning and Roberta Currie, who has a green house.

AFTER THE TOURS everyone went to the clubhouse for boating and a luncheon. All had a very enjoyable day.

KEN and Paula Hanna have been doing some entertaining, too! Ken's brother, Eddie Jo, and his wife and children from Lubbock have been visiting recently and really enjoyed supper cooked by Paula and boating and swimming afterwards.

JAN CASH will be entertaining soon too, but not people. Recently she found 18 Mallard eggs in her iris plants and 4 in her boat house! Jan says it takes the eggs 28 days before they hatch. She has not kept a tab on them but she feels as if they should hatch very soon. The mother duck rarely leaves the nest, and Jan feeds her while she is sitting on the eggs. Shouldn't be long till there will be a lot of little quacks at the Cash house.

THEY SAY dawn and dusk are the best times to fish and I guess they're right! Last Sunday Keith and Allen Ritter were on the lake by 6:30 a.m. and caught five bass. One of those was a five pounder caught by Keith!

JACK AND ALMA Anderson's foster grandson, Corky, who is fifteen, was fishing Saturday night about 10 o'clock. He spotted some shad near the shore and was going to try and get them with the landing net. But instead of shad, he brought up a beaver! Now there's a fish tale for ya!

KEEP THAT NEWS coming in! Thanks! See ya—

8 Canyon Women Attend Workshop

Eight women from Canyon were among participants in a five-day Creative Education Workshop held last week at West Texas State University.

They include: Shirlene Bishop, Route 1; Lottie Bell Cosby, 2713 Ninth Ave.; Rue Duncan, Route 1; Marguerite H. Green, 2515 6th Ave.; Zoe C. Henry, 1303 3rd Ave.; Juanita Hicks; Gwendolyn B. Norrell, 507 Holman Lane; and Ele M. Sherrod, 2501 11th Ave.

The workshop, designed to assist teachers in "humanizing education," was sponsored by the American Association of Elementary-Kindergarten-Nursery Educators and was directed by Mrs. Margaret S. Woods, associate professor of education at Seattle Pacific College.

Mrs. Woods, immediate past president of the association, is nationally recognized for her work in creative education.

The course was designed to be of value to teachers from kindergarten through high school and especially to curriculum directors, principals, and other supervisory and administrative personel.

Lectures, participation and demonstrations with children in music, art, social studies, science, puppetry, dramatics and literature were among featured activities.

Pool Hours Reset

City manager George Loudder has announced that the swimming pool at Conner Park has changed its schedule of operation.

Loudder said the pool will now open at 2 p.m., instead of the previously announced schedule of 1:30 p.m.

He said the class schedule of the summer recreation program which started Monday is running slightly overtime. An extra half hour has been allotted to give swimming classes time to leave to pool area before opening it to the general public.

Town Acquires Oxygen Set — FHA At Workshops

By SUSAN DOLLE

THE UMBARGER VOLUNTEER Fire Department has recently purchased a portable oxygen set that is available for anyone's use. The men decided it could be a life saver in the event of smoke inhalation, asthma attack or heart attack, and as an aid in giving mouth-to-mouth resuscitation. Jack Brandt of the department said the set will be placed in the fire truck and that Umbarger residents can obtain a key from any member for the fire building. Vincent Meyer, Jr., of Meyer's Repair Shop and Buffalo Lake Refuge also have sets available.

TWENTY-ONE GALLONS of oxygen compressed to 1790 pounds is held in a small sphere with an attached mask. It fits in the hand and is easy to operate. **In an emergency**, remember that it is in the fire truck and is ready for use.

THE 1972 WHEAT crop is in the middle phase with good yield reports for the dryland of 10-14 bushels per acre. Vincent Ramaekers of Umbarger Co-op Elevator expects that with dry weather, the irrigated crops will begin in earnest this weekend or early next week.

SPORTS ACTIVITIES FOR young men this summer include baseball and karate. Chris Skarke, Mark Brandt, Kevin Raef, and Steve and Don Thompson are among those who play for baseball teams in Canyon. Glenn and Jeff Stocker, Mike Wieck, and Kenneth Wieck attend karate classes at the YMCA in Amarillo. Glenn has been working out the longest and has obtained his brown belt. He says boys from ages 12-20 are enrolled for classes three times a week.

FUTURE HOMEMAKERS OF America officers have been in Lubbock this week attending workshops. Juanita Hartman, Jan Wieck, and Donna Hartman were among the participants. They will serve as officers for the Canyon High School chapter next year.

VISITING the Lindemann families in June are Sister Bertille Lindemann and Sister Mary Austin, Sisters of Mercy from New Orleans, La. Also here are Mr. and Mrs. Donald Woods and five children from Columbus, Ohio, who will be visiting for three weeks.

THE VINCENT RAMAEKERS famliy entertained Vietnamese guests last week. Visiting in their home were Father Pham, a journalist at St. Louis University and Sister Mein and Hang who have been in the U.S. three months to learn English. They will return to their native land in two years to be language instructors in their convent. They were guests of Sister Dorothy Albracht.

PRESCHOOLERS FROM THE Ecumenical Summer Church school in Canyon visited the Willie Wieck and Tom Payne farms last week where they saw a variety of animals: an almost-tamed porcupine, guineas, peacocks, and chickens, turkeys, ducks and geese and a hatching gosling as well as pigs and calves. This was the third group this spring for a field trip at the farms.

DON'T FORGET THE Umbarger Community association games night June 22 at 8:30 in the school gym. Everyone in the community is invited to attend. A short business meeting will be held to report on the progress of the newly-formed organization.

Westside Club Plans Meeting

A program on creative arts will be presented to members of the Westside Club June 21 when the club meets in the home of Mrs. June Harvey.

The club met in the home of Mrs. E.W. Bourn June 7 when the roll call was answered with the member's funniest experience in a car.

Mrs. J.G. Voelms presented a demonstration on cleaning and oiling a sewing machine. Plans were also made for a family picnic July 8 at the home of Mr. and Mrs. Paul Glovier.

Present at the meeting were Mrs. W.A. Branum, Mrs. R.A. Burrus, Mrs. Frank Cornett, Mrs. Paul Glovier, Mrs. Lewis Harvey, Mrs. T.J. Mires, Mrs. Fred Richards, Mrs. Ralph Ruthart, Mrs. J.G. Voelm, Mrs. Ray Metcalf and one visitor, Mrs. Gatton of Amarillo.

Astros Stay In Cellar

The Astros of the Canyon Major League fell even deeper into the cellar position last week with three defeats, two of them one-hitters.

The Astros Fell 11-2 to the first place Dodgers Satruday, and 14-4 to the second place Red Legs one week ago. Both were one-hit games.

The third defeat came Monday when the Astros were crushed 14-10 by the Braves. The three losses made for a season record of two wins and four losses.

In other play, the Yankees defeated the Red Legs 6-5 Monday, but the win failed to move the Yanks out of the middle position in the standings.

Last Thursday, the Yanks won a game over the leading Dodgers, but that 12-11 score failed to prove of significant value.

Saturday, the Braves scored a 10-9 victory over the Red Legs.

LEAGUE STANDINGS

Team	W	L
Dodgers	8	3
Red Legs	7	4
Yankees	5	6
Braves	5	7
Astros	2	4

THIS WEEK'S SCHEDULE

Tonight: 5:30, Red Legs vs Dodgers; 7:30, Yankees vs Braves. Saturday,: 5:30, Braves vs Red Legs; 7:30, Astros vs Yankees. Monday: 5:30, Dodgers vs Braves; 7:30, Yankees vs Red Legs.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

City Of Canyon Delinquent Personal Property Tax , 1971 Tax Roll As Of March 31, 1972.

THIS LIST OF DELINQUENT TAXES IS FOR CITY TAX ONLY AND DOES NOT INCLUDE PENALTY & INTEREST OR SCHOOL TAX. BOTH CITY & SCHOOL TAXES WITH THE ACCRUED PENALTY & INTEREST MUST BE PAID AT THE SAME TIME .

"Section 12.08: Compilation and publication of delinquent tax rolls: Immediately after the end of the fiscal year of the City of Canyon as prescribed by the City Commission, it shall be the duty of the Assesor and Collector of taxes, or such other person or officer as may be designated by the City Commission, to prepare a roll to be designated as the Delinquent Roll, containing the description of all property described in the assessment rolls of the fiscal year just preceding, together with the taxes due thereon. . .Said delinquent roll shall be published not later than ninety (90) days after the end of each fiscal year or as soon as possible thereafter once each week for four (4) consecutive weeks in some newspaper published in the City of Canyon, and shall be entitled to charge Two Dollars ($2.00) for advertising such tract of land separately assessed which shall be taxed as a charge against the property on which the tax is due, and no receipt to any delinquent tax payer shall be issued until such cost of advertising has been paid..."--
Home Rule Charter of the City of Canyon, Texas.

Six WTSU Staffers Named Outstanding US Educators

Six members of the West Texas State University faculty and administration were selected for the 1972 edition of Outstanding Educators of America, the publication said today.

The West Texas State nominees were Virgil Henson, vice president for finance, Dr. T. Paige Carruth, vice president for student affairs, Dr. John E. Green, dean of the School of Fine Arts, Dr. Charles M. Smallwood, dean of the School of Agriculture, Dr. Ronald Huffstutler, professor of mathematics and chairman of the Faculty Council, and Dr. James B. Davis Jr., head of the accounting department in the School of Business.

Outstanding Educators of America is an annual awards program honoring men and women for civic service and professional achievements in the field of education. Nominations are made by college and university officials.

Henson, 62, a former high school history teacher, has been with the university in an administrative capacity since 1936. He holds a Master of Arts Degree from West Texas State.

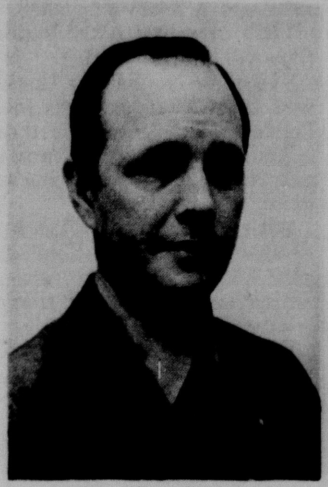
Carruth, 41, holds a Doctor of Education Degree from Texas Tech University. He has been with WTSU since 1959 as an assistant professor of education, director of men's housing, assistant dean of men, associate dean of men and vice president for student affairs.

Green, 50, was a professor of music and head of the department from 1964 until 1969 when he became dean of the School of Fine Arts. He received the Faculty Excellence Award at WTSU in 1968.

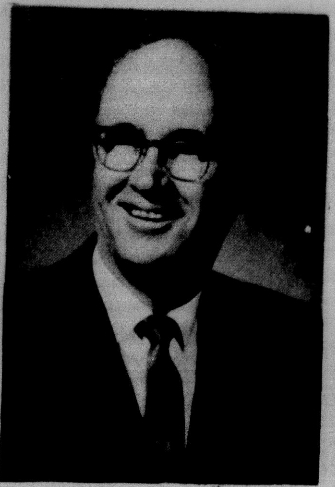
Smallwood, 46, the 1971 recipient of the Faculty Excellence Award, taught agricultural courses and served as head of the agriculture department until 1970 when a School of Agriculture for WTSU was approved. He has served as dean of the school since then.

Huffstutler, 36, served as an instructor in mathematics at WTSU from 1961-1964 and at Colorado State University from 1964-1966. He returned to West Texas State in 1967. He also reviews articles for a German mathematics magazine.

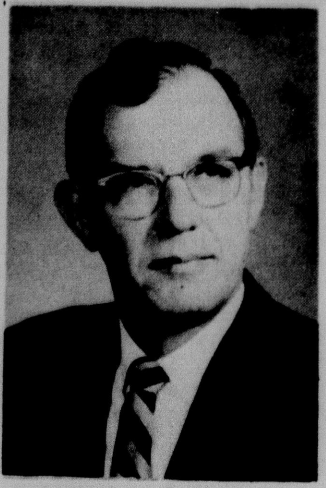
Davis, 39, first came to the university as a professor of accounting in 1968 and the next year was named head of the department. He previously taught at several colleges in Oklahoma.



Dr. T. Paige Carruth



Virgil Henson



Dr. John E. Green

Dr. Charles M. Smallwood

Dr. James B. Davis Jr.

Sherman Acres Area

Wickers Return From Trip

BY MARY JO GRIFFIN

THIS WEEK we really have enjoyed the much needed moisture we have been receiving. We can just see the weeds popping out now! But they are clean and well washed.

MR. AND Mrs. Herman Wicker on McCormick Road have recently returned from Jackson Mississippi, where they were visiting with their son and family, Mr. and Mrs. Robert Wicker. They were to attend the graduation exercises of their grandson Randy who was graduating from Jackson Preparatory School. Randy will work this summer in West Virginia and will enter the University of Mississippi for the Fall semester.

Congratulations to Don Tankersley on his 2nd place win in the big bass class of the Amarillo Bass Club. The catch was taking place at Lake Meredith this past weekend.

WE HAVE four couples in our neighborhood who will be celebrating wedding anniversaries today and tomorrow. Happy Anniversary today to Mr. and Mrs. Herbert Hall (Herb and Betty) and to Mr. and Mrs. James Anderson (James and Glenna). Tomorrow anniversary wishes go out to Mr. and Mrs. Larry Nash (Larry and Betty) and to Mr. and Mrs. John Renshaw (John and Iona). May each couple have many more happy years together.

THE WILHITE house on Antoine Street has been graced with some new storm doors. They sure are handsome and add a touch of charm.

THERE ARE several kiddos from out here enrolled in swimming classes this week at the city pool in Canyon. Some of them are Kyle Sims, Christine Hood, Tara, Shawn and Ricky Tankersley. Probably there are other that we haven't heard about.

HAPPY BIRTHDAY, Sunday, June 19, to Randy Hall. Hope the next year is a great one for you, Randy.

MR. AND MRS. Sherman Jones and Lee Don were recently in Dallas to attend the Jones family reunion. Sherman's mother, Mrs. Eunice Jones from Littlefield was here with them a few days and went to Dallas with them.

CONSTRUCTION has begun on the Don Cartwright family house on Rosemary Street. Don and Jearene have been real busy preparing, painting, and antiquing several pieces of furniture to have ready to use in the new house.

THE HERBERT HALL family was on vacation last week in the Houston area. They attended the Brumley family reunion at Toledo Bend Lake over the weedned. Stacy and Brenda stayed at Atlanta, Texas with rlatives. Stacy will be going to the BMA Miracle Camp near there at Ringgold, Louisiana. Randy stayed in Dallas with friends to attend the Christian crusade there this week.

HAPPY FATHER'S DAY to all you fathers out there Sunday. Just relax and enjoy your day.

Reading Draws Many Youngsters

The Summer Reading Program got underway Tuesday at 1:15 with about 45 children reporting to the city library to check out and read books. As part of the program, they will receive a certificate from Austin upon reading a total of 12 books. Mrs. Mary Huntington, librarian, supervises Tuesday's activities.

Varied activities are planned for Thursday afternoons, according to Mrs. Bettie Weaver, Rex Reeves teacher who is in charge. Reading aloud, acting out stories, library orientation, and a puppet show are planned for future sessions.

He wants the big things in your life to be happy.

City Of Canyon Delinquent Real Property Tax, 1971 Tax Roll As Of March 31, 1972.

THIS LIST OF DELINQUENT TAXES IS FOR CITY TAX ONLY AND DOES NOT INCLUDE PENALTY & INTEREST OR SCHOOL TAX. BOTH CITY & SCHOOL TAXES WITH THE ACCRUED PENALTY & INTEREST MUST BE PAID AT THE SAME TIME.

"Section 12.08: Compilation and publication of delinquent tax rolls: Immediately after the end of the fiscal year of the City of Canyon as prescribed by the City Commission, it shall be the duty of the Assesor and Collector of taxes, or such other person or officer as may be designated by the City Commission, to prepare a roll to be designated as the Delinquent Roll, containing the description of all property described in the assessment rolls of the fiscal year just preceding, together with the taxes due thereon. . .Said delinquent roll shall be published not later than ninety (90) days after the end of each fiscal year or as soon as possible thereafter once each week for four (4) consecutive weeks in some newspaper published in the City of Canyon, and shall be entitled to charge Two Dollars ($2.00) for advertising such tract of land separately assessed which shall be taxed as a charge against the property on which the tax is due, and no receipt to any delinquent tax payer shall be issued until such cost of advertising has been paid..."--
Home Rule Charter of the City of Canyon, Texas.

Happy News Flea Auction Planned - Jaycees Picnic - Coffeehouse Opens

By MARY NEAL HENRY

TRI STATE HIGH School Rodeo Club met last week and planned to have a "Flea Auction" in the near future. Their rodeo is August 4 and 5 and they are already busy planning it. Anyone may make donations to this Flea Auction. If you have any items to donate, contact Wendy Sims, Bill or Chris Pearson, Karen Murdock, Kevin Murdock, Kevin Donnell, or Gary Barrett. And all you high school students plan to be in Happy for the Tri State Rodeo the first week-end in **August**.

HUGH FAMBRO'S DRY-land wheat on the G.L. Miller farm averaged between 11 and 11½ bushels per acre and tested 62. There were 130 acres of it, too. Pearl said that it never did hide her black cat and someone even teased Hugh that he was going to have to have a vacuum cleaner to get it. But Hugh is pretty good with that combine. Foster Parker did say it was the first wheat he'd ever received with cow chips in it.

NANCY (WALBERG) SMITH was hit by a bus and very seriously injured when she stepped from a bus and attempted to cross the street in Dallas last Wednesday, June 7. Nancy will be in Baylor Hospital for approximately two months. She has a hairline fracture behind her left ear but no brain damage, both legs broken-one a compound fracture, both pelvis bones broken, broken ribs and multiple bruises. Nancy recognizes her family and gave the other secretaries where she works instructions for all the business under her direction. Dr. Lowell Smith flew from Washington D. C. to be with Nancy and stayed until all Nancy's internal organs began functioning. Jo and Dave drove from Borger to Dallas and Gene Parker drove Lena Walberg and Lou Parker to Dallas on Friday afternoon. Nancy's address is Baylor Hospital, Room 6435, Dallas, Texas 75246.

MRS. OSCAR McDONALD was brought home from the hospital on Friday. She is resting well.

PHIL CALLED ME Friday night. Some of those Gruver ex-students were throwing clods at the football field there and one hit Chris Bradley in the forehead and cut a deep gash. Eight stitches were required to sew it up. Gruver is in the process of resodding their football field. Melvin and Phyllis were two of the sponsors who accompanied the Spanish class to Old Mexico the day after graduation. They had an exciting few days, which included a bull fight.

ALDEN MANN WENT through the clinic at Temple while he and Ruth were gone on their vacation. Then they went on to Mansfield to Jack and Jan Ratjen's home. Ruth said they didn't know where they'd go from there.

DAVE AND TRA McNeill and Mike have moved to a place just north and east of Ralph Switch, and Dave is already enrolled in college for the summer. Dave planned to finish and he is back from Minnesota to complete those plans.

BILL HARLE WAS in Happy last week standing in Mrs. Null's yard visiting with several boys as we went to Bible school one morning. Bill will be coaching in Senora this fall.

RICKEY CAGLE PLANS to go to Texas A&M and study to be a veterinarian.

MILDRED AND WILLIARD Middleton gave a birthday dinner party for Mrs. Flora Middleton on her 93rd birthday last Sunday. Williard Bar-b-qued ribs outside for Lucille and Gordon Thompson and their son, Terry from Lubbock; Calvin and Dianne Middleton and Becky and Vicky of Del Norte, Colorado and their son and family, Tommy and Jane Middleton and their dauthter, Jana Lou of Post; Jack and Margaret Middleton and their children and families, Janet and David Hutto and Tim, Ted, and Kip of Pampa, and Ronnie and Alice Middleton and their sons, Mace and Marty; and of course, Williard and Millie's Jan and Albert Irlbeck and the twins, Tori and Tara; and Don Ed and Jimmie and Kathy and Max of Dawn; Williard's brother-in-law, M.T. Whitney of Vinita, Oklahoma. Several friends called during the afternoon, Della Venhaus, Fay and Jo Hand, Sis and Willa Elliott, and Willa Jane and Christi, Leona McFarland and Lonas and Moon Wright.

DEBBIE MAGNESS ENTERED the barrel racing at the Tulia Junior Rodeo and rode on Saturday night.

THE 4-H HORSE Project group met Friday night, at Happy. Present were Chris Pearson, Bill Pearson, Becky Via, Debbie Magness, Valerie Tipps, Sherry Starkey, Nancy Woods, Eddie Joe Pearson, David McDonald, Jay McCarley, Mark Tackitt, Becky Via, Ronnie McDonald, Colette McCarley, Neal Odom, and Angelique Henry. Sponsors Billie and Wayne Pearson, Bob and Linda McDonald, were there. Other adults included Pete Odom, Mr. and Mrs. Starkey, Vivian and George Woods, Floyd Tipps, Sheri and I. Linda and Vivian served soft drinks and cookies. All over nine will participate in the County Play Day next Friday at 6 at Cobb-Wheeler-Mote Arena. They practiced pole bending and barrel racing and western pleasure. Plans are still in progress for a trail ride in the canyons. Highlight of the evening was catching a prairie dog in the arena. They all got to see him "up close" and he was a big fat one. No one knew where he came from.

THE HAPPY CHIEFS, Tim Moudy, Doug Sims, Vince Price, Jimmy House, Mark Tackitt, Wade Grubbs, Scott Railsback, Scott and Vance Morrison, Steve Altman, Corin Freeman, Bobby Strohmeyer, Billy Ray Garcia, James Moore, Clay Simons, and Kyle Campell had an open date Friday night. On Tuesday of last week they lost 17 to 14 to the Nazareth Astros. Tim Moudy and Vince Price hit home runs. Jim Whitlow and Rickey McPherson coach this team.

HAPPY'S LITTLE LEAGUE Braves beat Nazareth Dodgers 6 to 4 on Tuesday of last week. Raphe Shipman caught a long fly ball in center field. Danny Wrenn, Sidney Eads, and Mike Weavers hit home runs. George Tirey and Gene Shipman and Albert Null coach this team. On Friday, they played the Nazareth Astros in Happy and were tied 5 to 5 at the end of the game. In the extra inning, Happy lost 6 to 10. Must have been a thriller until that last inning! Raphe Shipman, Mike Weavers, Sidney Eads, Danny Wrenn, Chuck Walker, Rod Walker, Vincent Ray Venhaus, Luther Vandergriff, Kyle Odom, Kevin Odom, Gregg Hampton, David Lane, Hol Toles, Tommy Tetillo play on this team.

PAULINE WESLEY WAS the Installing Officer (and I was her assistant) at McLean's Eastern Star chapter installation last Saturday night. Mrs. Frankie Smith was installed Worthy Matron and her husband J. Boyd Smith, who is also Pauline's nephew, was installed Worthy Patron. Frankie and J. Boyd's purpose for the year to "Make good the opportunity to serve." Her scripture is "Hear instruction, and be wise, and refuse it not," Proverbs 8.33; and her emblem is the golden Chain of Friendship. Her colors are shades of green, silver and gold, and her flowers are all flowers. They said they loved them all. The Smiths gave Pauline and I an orchid corsage and a book for helping in their installation. (Been a while since I had an orchid. Sure lifts your morale.) She had green artificial roses in the East and a bouquet of white roses on the serving table. Green sherbet punch and white cake decorated with a corsage of green roses were served to about fifty persons. Ludy and George Vaughn of Hawthorne, California, (Pauline's sister who has been visiting her) also attended with us. Ludy is a member and past matron of McLean Chapter and was attending there for the first time in thirty years. Evelyn Stubblefield, still active in that chapter, was Worthy Matron when Ludy left McLean.

GLADYS HALEY, PAULINE Wesley, Nora Taylor, and Ruth Sims were among the Grand Officers honored at a tea in Plainview on Sunday afternoon. The tea was given by all of District 2 Section 3, for all their Grand Officers. Evelyn Shipman, Evelyn Dowd, Viola Buchanan, and Willie Butler also attended. Punch and cookies were served from a formally decorated table centered with a bouquet of roses. Other Grand Officers attending were Frances Austin, and Wilma Seipp of Plainview; Alene Leake, Cortez Dowlen, and Rae Walters of Canyon: Joe and Birda Foster and Anna Dell and Ewald Quebee from Lockney. There were thirty Grand Officers in all and many, many attending. Everyone enjoyed visiting.

GLADYS HALEY SAID it is quite a "grandma" experience to keep three grandchildren all week and send them to vacation Bible School. Gladys had Glenn and Ellen's two girls, Jo Ann and Cindy and James and Linda's son, Richard.

BAPTIST HAD 141 enrolled in Vacation Bible School during last week. Commencement was Sunday night at 6 and delightful. The children sing well for Steve Vernon, who is our music and youth director for the summer. He led each class in songs they had learned during the week. They recited memory verses and the older ones gave a skit on missions. Brother Paul Heil showed slides that he took the first morning and of the parade on Saturday and they were good. Seven were added to the church by Baptism and everyone enjoyed cookies and punch in fellowship hall after looking at the children's handwork. We had a grand time!

I HEARD THE Methodist served hot dogs for commencement but none called and gave me any details. I'd like to have heard about that.

THE CHURCH OF Christ are having their Bible School this week every morning from 9 to 11. Someone call me and tell me about it. I do know they are still running that gospel chariot. But I've never seen any children get off. They ride it all around the town and then back to the church and walk home. Ha!

THE COFFEE HOUSE, Mustard Seed, was a success Saturday night. A good time was reported. On Sunday afternoon, they held open house from 2 to 4, and had a program about 2:30. I didn't make it, but I'd like to have. Sounds like a good project.

THE BLOOD BANK will be at the First Baptist Church's fellowship hall on June 21 from 5:30 to 6:30 to replace blood for Mrs. L.W. Rhoads. If you can give, please plan to do at this time. Mr. Rhoads said Sunday morning that Mrs. Rhoads is feeling better, but still hasn't any appetite.

JACKIE PYLE HASN'T rented that trailor space yet. It is located south of Hollis Shipman's home in the east part of Happy.

SHERMA FLOWERS had a coke party honoring Kathy Bates on Saturday afternoon. Coke floats and lemon pin-roll cakes were served to Pam Shipman, Deborah McDonald, Sharon Dietz, Kay Sheets and Vickie Wilson, honoreee and hostess. Everyone presented Kathy a gown ensemble and enjoyed visiting. Kathy was a little late to the shower. She wasn't used to driving on slippery roads and she slightly slid off the road and through the fence.

HAPPY JAYCEES HELD a family picnic in the canyons Sunday afternoon. So many things were happening all in the same afternoon that families came and left all afternoon, but somewhere between twenty and thirty families attended. The children and some adults swam, hiked, and all visited. Two games of horse shoe pitching were in progress and one that I don't know what was named. It was darts with a large fan tail and you threw them at a circle. I never did play, so I don't even know how you scored or won. Some played cards and one was reading a book, a very relaxing afternoon. Several stayed on after dark here at the house and we later cooked some sausage, eggs, and hot biscuits. Those Jaycees and Jaycee-Ettes are a compatible group.

PLANS ARE UNDER way for the Happy Celebration to be held in August. Happy Jaycees are planning a rest stop for the July 4th travelers.

CHRIS PEARSON, VICE president of Happy 4-H, called the meeting to order Monday night at the Jaycee hall. Andy Rahlfs and Marta Donnell led the pledge of allegiance to the flag and the 4-H pledge.

ERNEST KEKER, ASSISTANT county agent, presented the program on keeping records and entering record books in competition.

CARRY VENHAUS WAS welcomed as a new member.

THE 4-H SQUARE Dance Club will begin in August.

VICKIE AND RICKY House won 4th at State in Share-the-Fun out of 26 entries in that category. Bill and Chris Pearson won 7th in Livestock Judging at the state competition.

BILL, CHRIS, and Eddie Joe Pearson and Vincent Venhaus and Vickie Venhaus served refreshments to about thirty members and ten adults.

BARBARA SHIPMAN HONORED Vicki Wilson with a lingerie shower on Sunday afternoon.

I WILL TRY to have more baseball scores for you next week. Call me with your news either at 764-2865 or 764-2158.

See ya!
Mary Neal

Warren Gets Med Degree

Randy Warren has been graduated from the University of Texas Medical Branch at Galveston and will do intern work at Brooks General Hospital at San Antonio.

Dr. Warren will hold the rank of captain in the US Army.

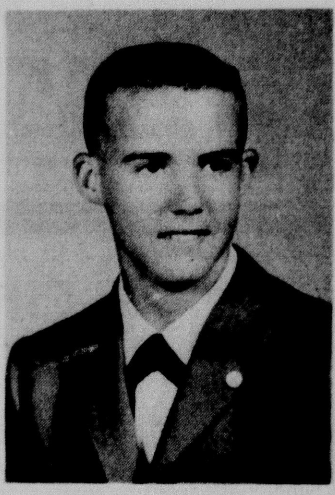
On hand for the graduation were Randy's parents, Mr. and Mrs. Meredith Warren, and his grandparents, Mr. and Mrs. W. A. Warren, all of Canyon.

Randy is a native of Canyon. He is married to the former Diane Williams, daughter of Mr. and Mrs. Jack Williams, Midland, formerly of Canyon.

Dr. Warren hopes to board certify in the field of anesthesiology and medicine.

He is a 1965 graduate of Canyon High School and a 1968 graduate of West Texas State University. As a boy he was active in Scouting and held rank of Eagle Scout.

Through high school and college, Randy was a photo lab technician for The Canyon News.



RANDY WARREN

McKay Excels At University

Robert Reynolds McKay, son of Mr. and Mrs. R.O. McKay of Route 1 has been named to the honor roll for the spring semester at the University of Oklahoma with a straight A (4.0) average.

McKay is now working on his doctorate in geology. He is a graduate of Canyon High School. His BS degree was earned at Southwest Texas State University at San Marcos, and his masters degree was received at the University of Oklahoma.

WHAT'S ELECTRICITY BEEN DOING LATELY?
...TAKING OUT THE TRASH.

The most innovative electric appliance on the market today is the electric trash compacter. Plug into any 120 volt outlet . . . use it free-standing or built-in . . . in the kitchen, utility room or garage. Let your electric appliance dealer show you how to reduce your week's accumulation of trash to one neat bag.

What's electricity been doing lately? On the job, for you — as usual.

ELECTRICITY IT DOES SO MUCH GOOD

Coopers Have New Camper — Residents Spruce Up

By TOOTIE BYBEE

WELL, HELLO AND how are all of you these days. I suppose most of you have done a little traveling this summer or are anticipating doing so soon. Lots of baseball activity and preparation for summer camp is going on among the little 'uns these days. Vacation Bible School has kept a lot of them busy already. Sorry I missed the columns the last two weeks. We have been visiting here and there. So, glad so many of you ask about it, that way I know someone is reading it!! Now a little news for all of you.

MIKE AND BLANCHE Hudson sure have been busy painting and all on the house. Hear they are fixing up one of the bedrooms for a "Nursery". Can't wait for the new "little one" to get here. The house sure is looking pretty!

THE TRACY COOPERS have purchased a new cab-over pickup camper. Saw them at the Grocery Store the other day and they were stocking up on vitals to take to the mountains for a week of fun and rest and peace. Hope they enjoy themselves. They have been so busy working on their yard guess it's nice to get away for a while. Hope they get back in time to transport us all to summer camp!!

THE WHITEHEADS HAVE been doing the same thing, working on their new rooms and getting ready for the new baby. Michal Ann's mom and dad have been helping out also. I understand one closet alone got painted by so many different people so many different times they used 2½ gallons of paint on that closet. I think some one better organize over there. The beamed ceiling in the new den is just beautiful! I see why Roger hasn't been around on his motorcycle very much here lately, he's been working.

THE EVANS HAD a houseful this week-end and enjoyed every minute of it. Barbara's sister and brother-in-law, Mr. and Mrs. Bill McKey were down with their three daughters and little son. Also, Leroy's brother Floyd came out and they got in a little fishing, except Leroy. I know Leroy has a dangerous job but guess why he's been on crutches this week-end?? He fell down and hurt his knee playing baseball with the kiddoes!! The two Evans girls have been real helpful this past week. They served as junior assistants in Vacation Bible School at their Churches. Understand they both gained a lot from it and the children just loved them. I know their mother was glad to have them help!!

TALKED TO BETTY Malson and asked her what they had been doing to keep busy since school was out, and she said she had become a taxi service. Seems Denise and Matt both are playing ball and it keeps her running to and fro to keep up with all the practice and games. Guess we all feel like taxis every once in awhile. Good luck Matt and Denise—hope you both win them all.

THE TOW'S ARE busy getting ready to leave for Europe this week-end. Sure wish I were going along. Can't believe they are going to leave me behind. They'll be gone three weeks and probably have lots ot tell us all when they get back. While they are gone all four of the kiddoes will be busy at other projects and travels. So, it sounds like the whole family will be having a good time. Mike won second place this past week-end at the races celebrating the Dumas Doggie Days, at Dumas. That boy has so many trophies, don't know where he will put any more.

GEE, I SURE hate to tell you all this. Most of you are already aware that the Burdettes have sold their home and will be moving by the 15th of July. How we hate to see them go. Such wonderful neighbors and gracious friends. We will truly miss you, Bill and Johnnie and hope you will be really happy in your new home. To Mike and Tawanna, we will miss you too. The memories of all the good times we had will linger on a long time. To Mrs. Reynolds, who let me call her Mrs. Edwards for a year and never corrected me because she is so kind! We'll miss you so much, seeing you in the yard or out and about, and your smiling face, most of all. Hope you will all come see us.

THE ROGERS ALSO have their home up for sale. How we hate to lose good friends and neighbors. Mr. Boren also has been transferred to Clovis and they will be selling their home and moving soon. Guess the only way to look at this is the fact we will have new neighbors soon. New neighbors have moved into the Bryants home and Whites home. Will get around and meet them and let you know about them next column. You all get out and get acquainted with them also then let me know!!

NOTICED THAT THE fad of bicycling has really caught on in the neighborhood. Saw Shirley and Howard Jones out riding around, Mr. Banman, Mrs. Boren and son Lee and many others. Just trying to co-ordinate myself enough to walk is about all I can manage.

OUR FAMILY SURELY enjoyed their little vacation these past weeks. We journeyed over to Louisana and came back by way of Dallas and saw lots of sights and some friends. Visited with the C.M. Eads in Hallsville, Texas, and they all send their love back to all their friends here and in Amarillo. While in Longview we picked up a new addition to the family. A new Boxer puppy and we sure are proud of her. Guess you all know that by now. Stopped and talked to Jo Ann Ross and Joan Gillis in the road the other day and got to show off the puppy to them. Enjoyed having my brother's boys here with us for a few days this week and I promised to put their names in the paper so they could see it, so, we were glad to have Holland, Kelly and Billie Wade visiting with us this week. There you are, boys. We took a picnic lunch and went to the Canyon and had a fine "hot" day together.

WANTED TO SEND a new recipe along to you all that I got while visiting. Hope you'll try it and hope even more you will like it. This is from Opal Eads.

Fruit Pie

1 Can Cherries (drained)
1 can pineapple tidbits
1 cup sugar
¼ cup flour

Combine in pan and cook until thickened, pour in quickly 1 box of orange jello and stir in quick. When dissolved, set aside to cool while you chop 6 bananas. Fold in and pour into 2 baked pie shells,top with whipped cream and chill. Takes about 10 oz. of cool whip.

SAW LOTS OF you out and around this past few days. Mr. Robertson and Mr. Buckles mowing all those vacant lots and lovely lawns. Makes everything look so neat and nice. Mrs. Buckles and Mrs. Alley cleaning out flower beds and planting new flowers. Thanks for the flowers you gave me. The Tows on a family outing on the motorcycles, enjoying the lovely summer days. Lori Lee Laid having fun on her bicycle. Tracy and Jubal Gillis enjoying the pool in the back yard. The Morgans talking with a neighbor over the fence. Steve Ross driving his little yellow Mustang and with a friend in a "lovely truck." Shelley Whitehead enjoying the visit of her aunt Julie Odom. Brent Mitchell and Spooky Whitehead having fun in the front yard. Rick and Traca Cooper having a water fight with Tawanna Burdette in their back yard. Trina on the trampoline. Joyce Minor getting in the car with the new baby Marcy. Kay and Karen having a ride on the trail bike. Leslie and Lenise having fun on the trampoline. Nancy Robertson on her bike, and her brothers who need to practice riding double backwards!! Larry Pate buzzing around on his motor. Susan and Wayne Steen working on their new home and yard. Just lots and lots of busy people.

SO GLAD TO see Mr. and Mrs. Bedwell back from their visit to Mena Arkansas. They went with their son and his family, Mr. and Mrs. Dean Bedwell. They visited Mr. Bedwells sister and lots of other kin folks while there. Noticed they had lots of help working their garden the other monring, guess lots of folks are glad to see them back.

WELL, TWO OF the Buckles kiddoes are really "Flying high" these days. Steve and sister Cindy flew from Amarillo to Wichita, Kansas, to spend the summer with their grandparents who live in Eldorado Springs, Missouri. Bet they will be having just a whole lot of fun.

DON'T KNOW HOW many of you like hot sauce and make your own, but I do and it takes hours usually. Well, came across this little ole recipe from a friend, Mrs. Hazle Crouch and she shared it with me. Not just like the long cook method but is really good and sure is handy in a hurry. And so good with Mexican food, etc. might give it a try if you like hot sauce:

Chile Sauce

½ cup hot peppers
¼ medium onion
4 cloves garlic or
½ teaspoon garlic powder
¼ teaspoon cumins
6 medium tomatoes
1 Tablespoon salt

Blend all this in blender and enjoy.

SORRY IF YOU found this a little long this time but had missed out on so much while I was gone. Will be missing again for another couple of weeks and would be so happy if one of you would fill in for me while I'm away. Know you are all about as busy as I, but if one of you could please, give me a call. Six little excited girls and I are getting ready to spend 2 weeks in the mountains around Taos at Summer Camp, Pa-ta-ni-ya, the Camp Fire Girl Camp there. Am looking forward to the great times with 125 other adults and girls there, so will see you in a few weeks.

IN THE MEAN time be good to yourself and others, SMILE. Enjoy the Summer, I am.

ONE LAST WORD: to Mr. Fowlkes: the fence looks real nice-in fact, your whole yard is really looking good. Wish I had all those nice trees!

News Brief

Guests in the Arvin Triplett home, 608 7th Ave., on Friday afternoon were Mrs. Jack McCormick of Morgantown, W. Va., and Mrs. Ray Mickey of Canyon.

Sunday dinner guests of Mr. and Mrs. A.L. Triplett were Mr. and Mrs. Charles Triplett, Larry and Mike, of Hart. Mr. and Mrs. Rowland Triplett, Mary and Charlie, of Claude, were guests Sunday afternoon.

Youth Film To Be Shown

Tripping takes on a new dimension in "Mindbenders," a color film to be shown young people in the auditorium of the First Baptist Church at 8 p.m. Saturday evening.

Intended for the high-school age bracket, the motion picture story takes a purposeful look inside a large high school where the staff photographer of the student newspaper and his girl friend endeaver to make their faith relevant.

Steve Garms, Baptist youth director, will conduct a "rap" session afterwards.

News Brief

Mr. and Mrs. Jay Collins have recently visited his grandmother, Mrs. T.W. Collins, 1907 5th Ave.

Collins is the son of Mrs. Joe B. Collins and the late Joe B. Collins of Odessa. He is a May graduate of the Harvard Graduate School of Business Administration. He also holds a masters degree in chemical engineering from Rice University.

Jay and Maxann Collins will live in Birmingham, Ala., where he will be associated with the Southern Natural Gas Company.

Gene Howe News

Birthdays Bring Parties, Fun And Freckles

BY TROYCE MULHERIN

EVERYONE is extremely happy and pleased when something nice happens to someone nice. One man, whose importance and impact on the Gene Howe area cannot be overestimated, just happens to be that particular someone nice. Mr. Luther Lawless has taken unto himself a bride, a very lovely and charming "Southern belle." Mr. Lawless and Brenda Berry were married in Longview, Texas, on Friday, June 9th. They plan on spending some time in Monterrey, Mexico, for honeymooning purposes. Mrs. Lawless has two children. Teena is ten years old and will be entering the fifth grade at Gene Howe come school days again. Ricky is thirteen and will enter the eighth grade. Mr. Lawless and his family (including two dogs and two cats) will be returning to Amarillo about the 18th of this month, and will continue their quest for a home in the Gene Howe area. All of us in the community extend a warm welcome to our new family and wish them happiness everlasting.

IN FACT, Mr. Lawless is bursting with good news. His son, Mark, graduated from Monterrey High School with a track scholarship to Baylor tucked under his arm. Mark was voted one of the Top Ten out of a graduating class of six hundred. This honor was bestowed upon him, not only for excellence in grades, but in appreciation of his outstanding performance in extracurricular activities. Congrats to you, too, Mark.

DANNY SELLARS, son of Mr. and Mrs. E.R. Sellars, celebrated his thirteenth birthday on the 10th of this month with him family at their cabin in Tres Ritos, New Mexico. Danny's mother, Gwin, says all this summer fun has caught up with them, so the family decided to get away from it all for a few days.

HERB McGregor's sixth grade girls baseball team has been in there swinging, Shari Boothe and Kim Wallace each hit three home runs in their recent game with Mesa Verde. Needless to say, Herb's team won. (again).

ANOTHER winning team (four games this week) is that coached by Mr. and Mrs. Mac Thrash. Fifth grade girls hitting homers were Tracy Bufkin, Cindy Todd, Dede Carroll, Janice Delaney, Fonda Holland and Tonia Edwards.

WE WISH Mrs. Rodney (Janice) Gresham a happy birthday on the 13th. Janice and all her girls, Melissa and Wendy and Robin, recently returned from visiting her brother and his family in Dallas. Rodney took advantage of their little jaunt to the big city to head in the other direction, specifically to Westcliff, Colorado, on a motorcycle tour. Rodney and some buddies rode their two-wheelers (Blasphemy) a hundred miles up in the mountains and turned back only because they ran into rough snow. Snow? What's that? Anyway, the Gresham family is back home reliving their adventures.

MRS. Leonard (Glenna) Schmidt and Mrs. Chink (Gayle) Betty shared birthdays on the tenth of this month. Neither of these ladies would discuss ages. Can't understand it. Your writer has been twenty-nine for many years and doesn't mind telling a soul such fact. So much for sick humor. Many Happy Birthdays to you, Glenna, and many happies to you, Gayle.

MR. AND MRS. Chet Smith celebrated their wedding anniversary on the 12th of this month. Mr. Smith says they planned no special celebration, simply enjoyed each other's companionship, as they have done for the past 29 years. Congratulations to you both, and many more anniversaries to come.

STAN HALL, son of Mr. and Mrs. Bill Hall, celebrated his twelfth birthday on the 14th of this month in Fort Worth. The Hall family travelled to Fort Worth to wish Bill's father, Mr. Harley Hall, an early happy Father's Day, and to make Stan's birthday extra special.

BELATED anniversary wishes to Mr. and Mrs. Bill Hall, who celebrated on the 7th of this month. June is a month for festivities in the Hall family.

JUNE is a busy month for birthdays, too. David Johnson, son of Mr. and Mrs. Carl Johnson, celebrated his birth on the 2nd. He and some of his buddies from the junior high enjoyed a two day party, including a cookout with hamburgers on Friday, spending the night with the Johnson family, and swimming and eating and eating and eating on Saturday. Kurt Johnson, also the son of Mr. and Mrs. Carl Johnson, has more serious plans for his birthday on the 17th. Kurt is working and getting ready for camp—Camp Don Harrington, to be exact. Another important camp goal for scouts, is Philmont, and some boys from Troop 130 have been working to raise money in order to attend this particular camp.

AS MANY of you know, there is a bust of Quannah Parker in the Amphitheater in the Palo Duro State Park. Heretofore this bust rested on a steel rod. Not any more. Kurt, Allen and David Johnson, and Kenny Johnson, son of Mr. and Mrs. Webster Johnson, and David Clark, son of Mr. and Mrs. Bill Clark, with the help of Carl Johnson, have been erecting a stone-work base for Quannah's head to rest upon. A sense of humor causes hard work to go faster, and these young men facetiously referred to their labor as "stoning" Quannah. Not only have these young men learned the true meaning of "paying your own way," but they have contributed to mankind's enjoyment of the facilities at the Amphitheater for years to come.

WESTERN Bowl is conducting free bowling lessons this summer and has extended an invitation for Gene Howe folks to join in on the fun. Classes for youngsters are underway and are full, however, another children's class will start about the 12th of July, and pre-registration can be made with Mrs. Davis at 622-0870 for this class. Bowling classes for ladies are open, these classes last for two hours, shoes and balls are furnished, and free coffee and cokes go with the lessons. Ladies, call Mrs. Davis and get yourselves signed up for these morning lessons. Evening classes for couples are in the formulating stages, and anyone interested should call Mrs. Davis. Repeat, there is no charge for these lessons, so why not give bowling a whirl.

DUANE HARP, son of Bill and Ernestine Harp, visited with his family over the weekend. Duane is working in Hobbs, New Mexico, for Phillips Petroleum, and making quick visits to Amarillo over the weekends, supposedly to see Mommie and Daddie, but a sweet young thing by the name of Amy figures in these visits, too, me thinks.

KAROL Hicks became a teenager on Saturday, the 10th. She celebrated her thirteenth birthday with a slumber party and skating party with Alicia Folkes, Shannon Corbitt and Diana Palmer joining him for the fun. Karol's biggest and bestest present was a horse who goes by the name of Freckles. Freckles will take up residence at the Range Riders Stables as soon as a stall can be readied for him. Freckles came complete with saddle, bridle, halter and all the other tools and accessories horsies need; and, fortunately, Karol learned all the How's and Why's of caring for her present while in girl scouts. Karol is the daughter of Phyllis and Johnny Hicks, and they are as excited about this new member of the family as she is.

A BIT is excitement at the Mulherin home Saturday night—this is a long story so settle down in your easy chair.

PREFACE: As most mothers feel, and Mother Mulherin being no exception, a child's clean bedroom is a good bedroom. To attain this end, mothers are prone to such predictions as, "If you don't clean it, I will," and "How can you stand that mess?", and "There's no telling what's living in that room!"

CHAPTER 1. A few weeks ago, Marty Mulherin's pet hamster, a lady by the name of Brandy, decided that life in a bird cage was not her idea of living, so she sought and obtained her freedom. Sad Marty. **CHAPTER 2.** Saturday evening Kaki decided to retire. Shortly after entering her room, squeals and appeals for help emitted therefrom. She had found the unfortunate Brandy. Thirty minutes of frantic efforts found Brandy back in her bird cage. **CHAPTER 3.** The curtain rises on our little drama Sunday with Marty happily becoming reacquainted with an unhappy Brandy; with a mother saying, "I told you there's no telling what's living in that room!"; and with Kaki busily cleaning her room, perhaps secretly wondering if the snake Marty lost last summer could possible be.....

IN ORDER to save yourselves from further breathtaking happenings at the Mulherin home, call 352-6053.

THANKS for the use of the hall. Troyce

Produce carloads of sorghum with NK 222
Growers report 1,000 to 1 return
Successful NK 222 growers like Alvin Meyer have produced over 1,000 lbs. of grain from every pound of seed planted. Meyer seeded 6 lbs. of NK 222 per acre and harvested 6,906 lbs. of grain. Check these carload producing features:
- Rich reddish yellow grain
- High test weight — up to 64 lbs.
- Excellent drought tolerance and smut resistance
- Large berries, roll and flake easily
- Low fiber content — high digestability
- Excellent thrashability
NK 222 is planted by more farmers than any other grain sorghum. Order your seed today.

Local Woman Named Alternate

By TROY MARTIN

A Canyon housewife will go to the national Democratic convention in Miami as an alternate delegate from the state of Texas.

Mrs. Andrea Green, a staunch supporter of George McGovern from the precinct up, was chosen as one of the two alternates from the 31st Senatorial District at the state Democratic convention in San Antonio Tuesday.

Mrs. Green is the wife of West Texas State University assistant professor of history, Dr. Michael Green. She lives in voting Precinct 6 and was named chairman of the precinct convention but lost out to Benny Turner for the right to lead the delegation to the county convention.

She is a staunch supporter of McGovern and has expressed strong feelings about US involvement in the war in Vietnam.

Turner, a delegate from Randall County, said the convention was chaotic.

"I don't think it represented the people of Texas," he declared.

"Texas delegates are going to be split three ways and can exert no real strength in the national convention," Turner declared. He said George Wallace will control about a third of the delegate strength to the national convention.

Randall County's delegation to the state convention was split. "The 31st Senatorial District voted as a district rather than by counties and the Randall County delegates didn't even sit together," Turner reported.

Randall County delegates voted 14-6 in support of Eddie Bernice Johnson, Dallas Negro, who won over Roy Orr, who was Dolph Briscoe's choice for vice chairman. Senator Max Sherman headed up the senatorial district's delegation.

Sherman, who is uncommitted but believed to lean to Hubert Humphrey, was named a delegate to the national convention.

The other two delegates are Jim Bynum of Amarillo and Ruth Osborne, commiteewoman from Pampa. Turner said Bynum favors George Wallace and that Mrs. Osborne says she also may go for Wallace.

Turner said the district's second alternate Steve Busby of Springlake, Texas, has expressed himself for Wallace.

Joe Batson, committeeman from Amarillo, was named alternate at large.

Randall County's Roberta Hicks was tapped for the state resolutions committee.

Turner said a large part of the Randall County delegation was disenchanted with the new rules governing convention procedure. Several of them are working to get the rules changed back to the way they were previously.

"The new rules are not good," Turner opined. "Nothing was organized. It was total confusion. We just couldn't get things moving."

He said the convention was slated to start at 9 a.m. Tuesday but the delegates still were standing in line trying to get their credentials at noon. The convention got underway about 1 p.m. and dragged on until 1 a.m. Wednesday.

"There was a lot of grumbling and the convention did not represent the state of Texas" Turner asserted.

"I got my ears whipped down," Turner confided. "I was proposed as a national delegate three times and was defeated every time."

MRS. ANDREA GREEN

Termed Priceless

Museum Finds Posters

There are some new things around the library at Panhandle-Plains Historical Museum which tend to generate interest in the current Presidential campaigns in the Democratic Party.

To begin with, officials found two 1884 Presidential campaign posters in a box that had been filled with old newspapers.

One poster is for the Grover Cleveland-Thomas Hendricks ticket for the Democratic Party, and the other was for Republican candidates James G. Blaine, the presidential nominee, and Gen. John Logan, the vice presidential choice.

Another recent addition to the museum's library collection is a rare book of Presidential portraits from the collection of B.R. Barfield of Amarillo.

The book is registered as number 778 of a limited edition published in 1906.

On the cover is a golden Presidential Seal, which protrudes about a quarter inch.

Inside the book are portraits of Presidents of the United States from George Washington to Theodore Roosevelt. It is believed the addition of Roosevelt was something of an afterthought because he was omitted from the Table of Contents and because the inscription indicates he was in office three years after the book was published.

The book was originally presented to the late O.W. Eakle of Amarillo on Sept. 10, 1906.

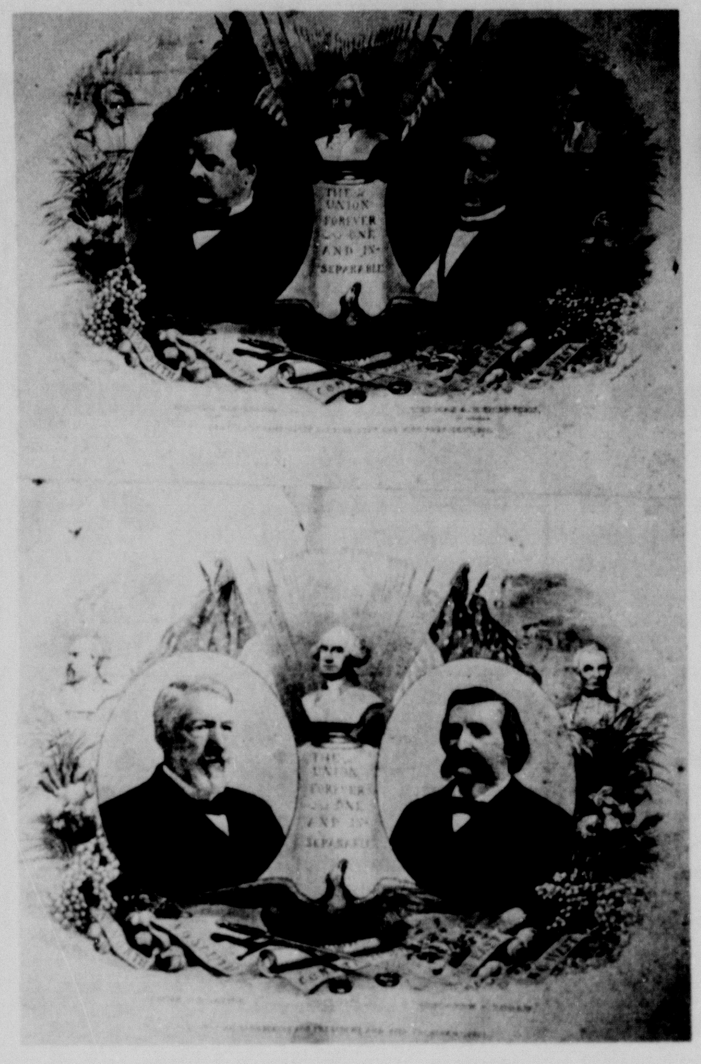
Museum officials believe that either the portrait of Roosevelt was added after the book was printed and presented, or that the publishers had faith that Roosevelt would remain in the White House until 1909.

The campaign posters from the 1884 election are almost identical, at first glance for party designation and pictures of the candidates.

Upon closer inspection, however, it is noticeable that lesser portraits of Presidents—except for George Washington, who appears on the posters of each party in identical places—are different on each poster.

Ulysses S. Grant and Abraham Lincoln appear in the background on the Republican poster and Thomas Jefferson and Andrew Jackson appear on the Democratic poster.

There is no immediately available value for either the posters or the book, but museum officials say they could be classified as "priceless."



Appropriate reminders of history, especially in a year such as 1972, are these 1884 Democratic and Republican Presidential campaign posters which were found recently in a box of old newspapers at the library of the Panhandle-Plains Historical Museum.

Canyon Days Activities Added

The fireworks display for the Canyon fourth of July celebration has been billed as more spectacular than ever.

Cary Magness, who is in charge of July 4th activities, said Tuesday the fireworks have been ordered and the Chamber of Commerce is trying to improve the display each year.

From 2,000 to 3,000 people attended the celebration last year, Magness said. "We are looking for a good old-fashioned, flag-waving activity," he added.

Canyon Days will be held in conjunction with the July 4th celebration year. Canyon Days are set from July 3 through July 8.

Other activities planned for the fourth include a program by children enrolled in the summer recreation program at 6:30, a watermelon feast at 8 p.m. and the fireworks at 9:45, all in Conner Park.

A performance by a community band is also being arranged, Magness said. The Women's Chamber of Commerce will sponsor concession booths in the park.

The Randall County Sheriff's Posse will hold the World Championship Pony Express contests at the arena July 7 and 8.

The tournament will be held at 8 p.m. both days at the arena two miles south and one-half mile west of Canyon on the Lubbock highway.

The price of admission will be $2 for adults and .75 for children 16 and under. Entry fees will be $10 per team. Both women's and men's teams can be entered but the women's teams cannot be named World Champions.

The deadline for entries is June 17. Trophy belt buckels will be awarded to each member of the first, second, and third place winners. First place winners will also receive a hand-tooled Traveling Saddlebags trophy.

The Swisher County Sheriff's Posse won the tournament in 1966 and 1968 with the Randall County Sheriff's Posse winning in 1967, Plainview Red in 1969 and 1970 and Floydada Sandhills in 1971.

The contest was originated and developed by the Randall County Sheriff's Posse.

A parade is scheduled to begin at 10:30 a.m. July 8. The chamber has 25 confirmed entries for the parade at this time which is about three times as many entries as this time last year, according to Ken Thompson.

Thompson said he expected several more entries for the parade.

The parade will end at Conner Park where skydivers will dive into the park at noon.

(See CANYON DAYS, Page 2)

Road Superintendent Meets With Commission

Joe West, county road superintendent, met with the commissioners court Monday for the first time since his employment.

West reported some problems with dumping on county roads. Commissioners informed West it is the county's obligation to dispose of debris on the roads and an effort should be made to determine who is doing the dumping.

Commissioner Jim Fletcher suggested to West the County pick up and store any automobile with any value, charging a storage fee.

If the automobile is not claimed then it could be sold to pay the storage. Any items on the road with no apparant value would be disposed of anyway possible, Fletcher suggested.

Commissioners said they would meet with West and county road personnel to discuss problems or policies if West desired such a meeting.

The court gave Justice of the Peace Bill Wilson and W.W. Hancock authorization to pay all jurors who report for duty in JP courts.

Judge Wilson reported to the court, a new law requires the county pay only those jurors who serve, not the entire panel who are called.

The jurors are paid a minimum of $3 a day and not more than $6 a day, Wilson said. The commissioners agreed any member of a jury panel who is called for service and is not excused should be paid.

The court also instructed Judge Wilson to submit any bills from sheriff's offices for the serving of civil papers to the court for payment in the cases filed by governmental taxing agencies who are not required to pay a deposit when the suits are filed.

The court approved a request from LaQuitta Polvadore, district clerk to allow Western Data Service, Inc. of Waxahachie to print and cut cards for the jury wheel.

The cost for the service will be $355 for 23,566 cards, the number of registered voters in the county this year.

The court approved the hiring of Allan Grimes, an Opportunity Plan student from West Texas State University, as custodian and Mrs. Virginia Byars as part-time secretary for the district attorney's office.

Bill Francis of Doshier, Pickens and Francis will meet with the court Monday to discuss the Randall County audit for 1971.

Poll Here Shows Nixon Out In Front

There isn't much opinion among the "everyday man" yet about who should or should not be President in 1973.

A survey taken earlier this week by the Canyon News shows that some people believe President Richard Nixon will win reelection.

"I think he has worked at his job," said A.C. Jones of Clovis, N.M., who was looking around the Panhandle-Plains Historical Museum, where the poll was taken.

"Nixon has taken initiative no other President has taken," Jones said. "I don't think anyone could do any better."

Jones basically summed up the feelings of five pro-Nixon visitors to the museum. All agreed that the initiative taken by Nixon in attempting to ease relations between the United States and China and in trying to stabilize the economy will win reelection for the Republican incumbent.

Only two persons interviewed favored a Democratic President. They were Mr. and Mrs. Claude Williams of Phoenix, Arizona.

"I think Humphrey will take the nomination," Williams said. "I think he was a good vice president and I think he wll make a good President."

Williams' statement was somewhat surprising because he is from a Republican oriented state; a state, in fact, that is the home of Barry Goldwater, arch-conservative and 1964 Republican Presidential nominee who was defeated by Lyndon Johnson.

"I'm inclined to disagree with my husband, Mrs. Williams said. "I think Senator McGovern is better suited to cure the ills that plague the nation."

Mrs. Joyce Abla of Hereford had a different approach.

"I don't think," she said, "it's a woman's place to keep up with politics. Political beliefs should rest with the man of the house. I feel like man's the boss. Men have always ruled over women and I think it should continue that way."

So, Dick and Hubert and George and George, so much for that minority vote.

Rain Halts Wheat Harvest In All Of Randall County

Wheat harvest came to a standstill Tuesday due to rainfall of up to three inches which fell across Randall County.

Don Sheets at the Consumers Fuel Association and Elevator in Canyon, said no wheat had been brought to the elevator Tuesday.

Due to the cloudy weather Tuesday, the wheat was not drying and Sheets said it would depend on the weather as to when the harvest would resume.

He reported .70 inch of rain at the elevator and said he had reports from other areas of from .20 to two inches. The rain was heavier in the southeast, Sheets said.

The dry-land wheat brought to the Canyon elevator is good this year, Sheets said, with some making as high as 16 bushels to the acre with 10 to 12 bushels an acre the average.

About two-thirds of the dry-land wheat has been cut and it should be about a week before irrigated wheat harvest is in full swing.

A spokesman at the Umbarger Co-op Elevator said the rain also completely stopped the wheat harvest in that area even though only light showers fell Monday.

The gauge at the elevator registered .10 to .15 inch of rain. It was predicted it would be several days until the harvest could resume in the Umbarger area.

Most of the dry-land wheat in the Umbarger area has been harvested and the irrigated wheat has not yet ripened.

The elevator at Ralph Switch received about one-half inch of rain but reported heavy rains from one and one-half to three inches east of Ralph Switch.

The spokesman said one load of wheat was brought to the elevator Tuesday morning but he suspected it was cut Monday before the rains fell. "The resumption of the harvest depends on the sunshine," he said.

Canyon measured only .30 inch of rain from three days of

(See RAIN, Page 2)

Regents OK Bond Sale

West Texas State University board of regents Wednesday authorizing representatives to the board to execute documents necessary to the sale of $300,000 in 1972-A Constitutional bonds.

This figure is WTSU's share of $7,830,000 tentatively sold Monday to First National Bank of Dallas at 3.5711 percent to be shared by state supported institutions of higher learning.

Financial Vice President Virgil Henson said the bond money is not designated and will go into the WTSU sinking fund.

COVERING FUMBLES

by
Dean Mitch Jones

Since I have been an adult I have believed that women are at least the equal of men;--but too few women themselves believe this truth,--and those few are too busy to be much concerned about "lib" movement.

County Sets Sale Today

Randall County will sell at auction two plots of land at 10 a.m. today at the east door of the Randall County courthouse, according to Judge Woody Pond.

The county will sell one acre of land in Umbarger located just off the highway. The land and a barn will be sold as a unit or the land and barn will be sold separately.

Also for sale is the southeast quarter of Block 28 in the McGee and Hutson Addition in the city.

Annual Choral Music Camp To Begin Sunday

More than 100 students have enrolled in the 2nd annual West Texas Choral Music Camp starting Sunday (June 18) on the West Texas State University campus.

The one-week camp offers summer experience in choir, madrigal groups, quartets, ensembles and stage choreography as well as private voice lessons and classes in theory and conducting.

Guest clinician is nationally known choral conductor Dr. Howard Swan, professor of music at Occidental College from 1934 to 1971.

Under Swan's direction, the combined glee clubs of Occidental received high acclaim from audiences throughout the United States and in Europe.

He holds a bachelor's degree from Pomona College, a master's degree from Claremont College and a music doctorate from Pomona.

Before joining the Occidental College faculty, Swan was conductor of the University Glee Club of Los Angeles, the Los Angeles city schools Honor Choir and the Highland Park Presbyterian Church. He directed activities of six choirs at the Pasadena Presbyterian Church for 20 years.

Founder of the Choral Conductors Guild of California and director of the Southern California Choral Music Association, Dr. Swan authored the book, Music in the Southwest, and has contributed articles to several music journals. He is a contributor to a new volume on choral conducting which is scheduled to be published by Appleton-Century-Crofts.

Swan has served as guest director for all-state choruses in Washington, New Mexico, Utah, Hawaii, Arizona, Texas and Michigan. He has been guest lecturer for clinics on the campuses of the universities of Illinois, Michigan State, Minnesota, Michigan, Washington, Oregon, Puget Sound, and for the Meadowbrook School of Music, the Blossom Festival of Ohio, the Southwestern Baptist Theological Seminary and the Aspen Choral Institute. He was one of 11 American choral conductors to receive a Ford Foundation Fellowship in 1963.

High school choral directors serving on the camp faculty here are Jerry Baxter of Levelland, George Biffle of Amarillo High, Larry Guess of Dumas and Tom Jennings of Canyon.

Camp director is Dr. George Umberson, head of the music department at WTSU. Also coordinating events is Dr. Hugh Sanders, associate professor of music and director of choral activities at WTSU.

Leta Gill, Canyon, West Texas State sophomore, is shown here giving floating lessons to Susan Coleman, 9, daughter of Mr. and Mrs. John Coleman. Swimming lessons are being taught as a part of the Canyon summer youth program.

Record Number Enroll In Summer Program

Response to Canyon's summer recreation program this year has produced a record number of young people taking part in the activities.

Sam Weaver, program director, said more than 350 youngsters have enrolled in at least one activity, and more are expected as late registration continues.

The program opened Monday, and Weaver said there were more than 89 swimming students on the first day.

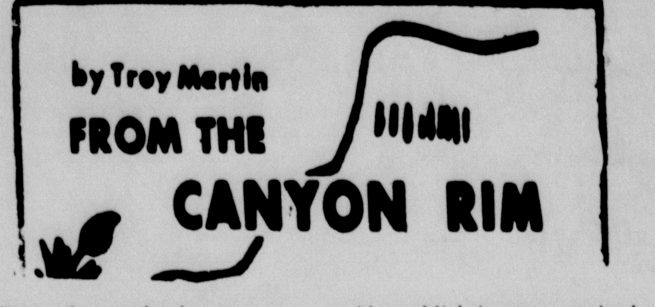
Thirty-five youngsters showed up at Hunsley Hills Golf Club for golf lessons, and a like number enrolled in the drama course.

Weaver said 50 students each were in art and bowling classes.

And, a new library program, which was added this year, had 40 people enrolled.

Weaver said the program serves not only Canyon, but people from Amarillo, Happy, Umbarger and other communities. He said some summer students at West Texas State University have even enrolled.

"We are very pleased with the results," he said.



by Troy Martin

FROM THE CANYON RIM

Pass a law and solve any problem has been the motto of people planners for years.

A few months ago the Maryland legislature passed as emergency legislation a statute prohibiting the carrying of hand guns.

The futility of this measure was demonstrated a short time ago when George C. Wallace, a major candidate for President, was shot down in Laurel Shopping Center in Silver Springs, Md.

Anyone bent on fatal mischief can accomplish his goal in spite of laws meant to limit his tools.

Anti-gun legislation merely insures that the law abiding will be left without means of protection while the lawless will have all the guns they want.

If guns finally are prohibited it will be with the sanction of the underworld. Think of what a lucrative business the mafia could establish in gun running!

* * *

Rivalry between the offices of Bob Price and Graham Purcell is becoming fierce.

Price, a Republican, and Purcell, a Democrat, were paired in the 13th District when Texas was redistricted last year and one of them won't be going back to Congress in January.

I got a call last week from Purcell's office about a HEW grant for West Texas State University. Minutes later a call came in from the Price office with the same information.

"I've already got it," I said into the telephone.

"Oh," was the discouraged comment on the other end of the line.

* * *

To cap it off, I got a third call from HEW Tuesday about the same grant.

"We've got a clipping from your newspaper about a HEW grant and we can't find any record of it," said the girl from HEW. "We're confused."

"Sure you're confused, lady. That's the reason they call Washington Disneyland East," I wanted to reply.

I bit my tongue, ground my teeth and didn't comment.

* * *

I haven't heard the bleeding hearts who wanted sanctions against Rhodesia for not turning their country over to a bunch of aborigines saying a word about what's been going on in the little African country of Rwanda.

According to news dispatches, the majority tribe has killed off something like 100,000 of the minority tribe---out and out genocide.

In Nigeria, the majority tribe has just about polished off the Biafrans.

In both cases the victims and those who victimized them are black.

Kenya has yelled the loudest for economic sanctions against South Africa's asinine and self-defeating policy of apartheid.

But this same Kenya treats its citizens of Indian descent as non-persons although they are native to the country whose forebearers settled there to work for the British a century ago. They are no longer allowed to own property or participate in politics.

Strangely enough I have not heard that noble warrior for the rights of minorities, George McGovern, say one word about what is happening in Rwanda, Kenya or Nigeria.

Senator McGovern and his cohorts seem to see victimization of minorities in Nigeria, Rwanda, and Kenya as "internal affairs" with a hands off policy to be strictly followed.

But in Rhodesia and South Africa policies that may be unpalatable to some though much less deadly than the aforementioned should be met with sanctions and United Nations boycott.

Oh consistency.............

* * *

Probably the most pitiful minority in the world is found in the Orient and it is the one to which we owe the most and for which we do the least.

It is the offspring of American GIs and oriental girls.

One such boy was the focal point of a book by Pearl S. Buck. Since a child in Korea belongs to his father, to be fatherless is to be a nobody, not allowed to go to school or to take part in various community affairs.

To Koreans with thousands of years as a near pure race, race means a great deal.

Miss Buck in her book quotes one venerable Korean as saying "The New People should be thrown into the sea."

* * *

Man has no right to mistreat his fellowman because of race or creed.

But neither does this country need to waste time in self-beating or self-recrimination for shortcomings that have been near universal.

Treat a man like a man....yes! Apologize to him for the way his ancestors were treated....never!

Canyon Days...

(Continued from Page One)

A barbeque will be served from noon until 1:30 p.m. Eddie Holcomb is in charge of the barbeque.

Organizations helping with the Canyon Days activities are The Veteran's of Foreign Wars, the Noon Lions Club, the Rotary Club, the Kiwanis Club, the Chamber of Commerce and the Women's Division of the Chamber, the summer recreation program, The American Legion and the Evening Lions.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

WTSU Students — Faculty Have Roles In "Texas"

Taking leading roles in the Paul Green symphonic drama, "Texas" are two members of the WTSU faculty and two WTSU students.

Now in its seventh season, the show, a musical romance of Panhandle history, opens June 22 in the Palo Duro Canyon State Park Pioneer Amphitheatre. "Texas" is produced by the Texas Panhandle Heritage Foundation in cooperation with WTSU.

Jerry Williams, part-time instructor in speech pathology at WTSU and owner of Williams, Etc. in Canyon, will portray the cantankerous gold prospector Tucker Yelldell for the fifth year. Charles E. Wright, associate professor of biology at WTSU, will portray Jesse Armstrong, father of the indomitable Calvin Armstrong, the hero of the western saga.

Cast as Uncle Henry, the rugged but tender-hearted rancher who narrates the musical tale will be Harrel E. (Pinkie) Floyd, a spring semester junior at WTSU.

Floyd has won numerous accolades for his dramatic work at WT, including the Best Actor Award in 1969 for his performance of Bottom in the drama department production of "A Midsummer Night's Dream." He also took leading roles in "Edwin Booth," "The Night Thoreau Spent in Jail," and "Hamlet." A three-year veteran of "Texas" in sundry roles, Floyd will portray the pivotal Uncle Henry for the first time.

Portraying Aunt Anna, wife of Uncle Henry, will be Jane Bivins Lipscomb of Amarillo. Mrs. Lipscomb, a member of one of the Panhandle's leading pioneer families, has appeared on the New York stage and in many productions of the Amarillo Little Theatre, of which she is immediate past president.

Spring semester WT sophomore Steve Hilton of 1104 8th Avenue, is cast as ranch foreman Dave Newberry. Since the amphitheatre opened with "Thundering Sounds of the West" in 1965, Hilton has only missed two summers in the show. He has been variously cast as a member of the cowboy quartet, a dancer, and actor. Voted Best Actor in a Musical this year for his role as Motel in "Fiddler of the Roof," Steve has also held principal roles in "The Tales of Hoffman," WTSU's Opera Workshop production, and "The Night Thoreau Spent in Jail."

"Texas" plays at 8:30 p.m. nightly except Sunday through August 26. Tickets and further information are available at the "Texas" box office, P.O. Box 268, Canyon, Texas 79015. A barbeque dinner is served before each performance from 6:45 to 8 p.m.

Pitch, Hit, Throw Winners Named

Eight winners or runnersup in four age groups have been entered in the district Pitch, Hit and Throw contest sponsored by Phillips Petroleum Co. to be held Saturday at Amarillo.

The eight were declared winners in local competition last Saturday in a total field of 23 competitors.

In age group nine, the winner was Harbin of 1207 Hillcrest. Runnerup was Mitch Wanamaker of 710 Taylor Lane.

In group 10, the winner was Norman Newman of Box 419, Canyon. Runnerup was Kenneth Don Magness of 1205 9th Ave.

In group 11, the winner was Billy Bender of 703 26th St. Runnerup was Tracy Byrd of 1415 Hillcrest.

Joel McKinney of 2110 12th Ave. was winner in group 12, and runnerup was Monte Harrison of Apt. 95, Canyon Creek Apts.

Rain...

(Continued from Page One)

scattered shower activity.

Moderate showers fell for a brief period Monday afternoon, and considerable drizzle continued throughout the night.

Heavier rainfall amounts were reported in the west part of the city and in other isolated areas.

Buffalo Lake Wildlife Refuge received .23 inch Monday. The level of the lake as of May 31 was 1230 acre feet. The lake holds 16,000acre feet when full.

The National Weather Service office at the Amarillo Air-Terminal has forecast a continuing chance of thunderstorms for the remainder of the week.

For those who say the railroads are at the beginning of the end,

here's a progress report from Santa Fe that says it's much, much more like the end of a beginning.

MORE POWER
We're adding 52 new giant diesels and rebuilding 50 older units to provide a locomotive fleet producing over 3,850,000 horsepower.

MORE CARS
1910 additional cars are coming in 1972, including 100 giant refrigerated hopper cars for in-bulk movement of potatoes, oranges and other perishables.

MORE TERMINALS
Santa Fe's new million dollar rail and truck terminal has now been completed at Houston, Texas to meet expanding truck, Piggy-Back and container traffic.

BETTER SERVICE
Run through trains with connecting railroads link —east, west, and southwest and save hours moving through Santa Fe's electronic classification yard in Kansas City.

BETTER PIGGY-BACK
We're expanding Piggy-Back and container service all along the Santa Fe to handle increasing domestic and international shipments.

BETTER IDEAS
An expanding microwave network linked to our data system for car tracing and locomotive utilization, and plans for the development of a unique coaxial train for moving containers are just a few of the new ideas at work on the Santa Fe.

MORE and **BETTER** are key words at Santa Fe. What we're *doing,* is why we're saying, rail service is *still* one of the most efficient ways to move freight. What we're spending says so too: over $100 million this year in railway capital expenditures. One billion in the last 10 years. Two billion since World War II.

The railroad industry and the Nation need sensible transport regulatory policies—administered with an even hand. We can take it from there—into a new era of railroading.

Still think the railroads are at the beginning of the end? *For Santa Fe it's more like the end of the beginning!*

Santa Fe —The complete transportation company
moving by rail, truck, air freight, pipeline and land development.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

LEGAL

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: JOHN NOEL EDIGER, Defendent, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 17th day of July A.D. 1972, to Plaintiff's Petition filed in said court, on the 2nd day of June A.D. 1972, in this cause, numbered 11,956-A on the docket of said court and styled In the Matter of the Marriage of Marilyn Kay Ediger and John Noel Ediger.

A brief statement of the nature of this suit is as follows, to-wit: Suit for divorce and custody of minor children. as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 2nd day of June A.D. 1972.

Attest: LaQuitta Polvador,
Clerk,
47th District Court

Little League To Sell Candy

The annual Canyon Little League candy sale will be held Saturday, according to Sturdy Wanamaker.

All team members of all Little League teams are to report to Conner Park at 10 a.m. The team members are to wear their uniforms, Wanamaker said.

The managers of each team are to meet at the park at 9:30 a.m. Three parents from each team are needed to drive cars.

The candy, chocolate covered almonds, will sell for $1 a box and will be used to buy uniforms and equipment for the Little League program.

Wanamaker said the league needs to make $1,000 and urged the public to buy the candy.

THERE IS
ABSOLUTELY
NOTHING
which stretches soil moisture as CLOD BUSTER does. See the proof on the W.R. Stockett farm as contrasted with untreated dry-land wheat. Untreated wheat burned up. Six miles south of Wayside. HURRY—Wheat ready for harvest.

CLOD BUSTER
saves two-fifths of irrigation costs. Apply three-year treatment any time. Bill Stockett has just ordered another 100 tons. Write or call 701 Madison NE, Albuquerque 87110 (505) 268-9206.

Remember

All Canyon and Randall County children who will attend nursery school, kindergarten, or public school and who cannot obtain immunizations from a private doctor, should obtain these free, on Tuesday or Thursday afternoons at 411 Austin Street, Amarillo, Texas.

The Canyon News

The Canyon News, founded in 1896, is an independent newspaper dedicated to the best interest of the community, state and nation.

A subscription is $8.40 a year in Randall and surrounding counties and $10.50 a year elsewhere.

Tidbits
here and there

By CAROL CRAIN

A PACKET FOR THE BRIDE is offered as a consumer service of the United States Department of Agriculture, nowadays.

Inside the decorative folder are booklets such as "Family Fare, a Guide to Good Nutrition"; "A Guide to Budgeting for the Young Couple"; "Vegetables in family meals"; "Beef and Veal in Family Meals"; "How to Use USDA grades in Buying Food"; and "How to Buy" booklets on fresh fruits, vegetables, beef steaks, and roasts.

Several of the booklets contain nutritional recipes to serve as well as a "Food for Fitness"-Daily Food Guide.

If you know a newlywed or would like one for yourself you may write either Congressman Graham Purcell or Bob Price, Washington, D.C.

* * *

I STAND CORRECTED, One readers idea of the Pearl Divers has been refuted by another. And, rightly so.

"Mothballs are 100% paradichlorobenzene...an insecticide" a mother reported to me this week. And noted that youngsters should not play with the mothballs at all-for they could swallow them and cause a run to the hospital emergency room-particularly since everything goes to the mouth during the childhood stages.

Of course, she is right and certainly I was not aware of this at the time of the writing. Thus, you had probably scratch this idea for children.

She did note that the centerpiece prepared by adults would be pretty.

* * *

JOHN CARLILE, Canyon's Marlboro cowboy, was featured in one of the recent "Accent West's"-that new Amarillo based magazine that features area personalities, homes, fashions, and the arts.

Canyon residents have been receiving complimentary copies of the magazine in the mail for the past two months.

* * *

THE MISS WOOL CONTEST is slated in San Angelo the last week of this month. Contestants will come to the Lone Star state from all over the nation to compete for this title.

ZETA TAU ALPHA sorority members, including alumnae Mmes. Stan Elliot, Keith Jones, and Vernard Waren will be traveling to the Four Seasons Lodge at Lake Ozark, Missouri for the ZTA convention.

The convention begins Saturday and several WTSU Collegiates will also be attending including chapter prexy Judy Jackman.

* * *

CONGRATULATIONS to Brad Garner who was named to one of 16 outstanding musicians in the state at solo contests held in Austin.

The flute player is the son of Dr. and Mrs. Gary Garner.

* * *

TEXAS IN JULY WILL FEATURE such happenings as the World Muleshoe Pitching Championship at Muleshoe, rodeos, in numerous towns across the state, and the Champion Pony Express races held in conjunction with Canyon Days here.

* * *

THE MISS TEXAS CONTEST will be hald at Fort Worth also in July. You'll want to watch for beautiful Miss Linda Adams, Miss WTSU. The lovely blonde singer should do well for she combines pose, beauty, and talent magnetically.

* * *

BETSY CLARK DESIGNS are now being found on small round puzzles selling for about $1.50. Betsy Clark fans are sure to find the item great to give as gifts for youngsters (whatever their age.)

* * *

SEA SHELLS make great salad bowls while a giant shell can be used as a centerpiece or made to hold the large salad on a buffet table.

* * *

SPEAKING OF SALADS-make your self a salad bar this summer and feature this great salad:

(This type of salad is served at one of the top area restaurants. And is a do-it-yourself, type)

AT THE SALAD BAR

Have ready to serve in buffet order:

One large bowl of lettuce, cut into leafy chunks

Assorted Salad Dressings:
1000 Island
French
Rusian
Vinegar and Oil
(or whatever)

available for your family and guest to top their creation with these vegetables (chilled).

Garbanzo Beans
French cut green beans
Kidney beans
Chopped Onion (purple)
Cherry Tomatoes
Parmesan Cheese
Croutons (seasoned or plain)

(You can also add chopped carrots, bell pepper, or another favorite to your salad bar for additional color and good eating).

Each of the makings is added to the top of the previous one...and the end result is delicious!

News Brief

Ronald E. Anderson, 1520 6th St., has been named to the dean's honor list for the 1972 spring semester at the College of Agricultural Sciences at Texas Tech University.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

Slowpitch Play Begins

Lambo's, the defending champion slowpitch soft ball team, opened this year's season with a 21-10 victory over Lewis & Lewis.

The City of Canyon defeated Kiwanis 18-11 in the second opening night game.

Monday the Kiwanis fell again, this time to Lewis & Lewis, by a score of 10-9. The Faculty team defeated Calvary Baptist 18-10 on Monday.

There are six teams in the league this year, and all games are scheduled to be played at the West Texas State University intramural field.

Tonight, the Faculty will play City of Canyon at 5:30 p.m., and Cavalry Baptist will take on Lambo's at 7 p.m.

Slowpitch Season Schedule

Monday, June 19: 5:30, Calvary Baptist vs Lewis & Lewis; 7:00, Kiwanis vs Faculty.

Thursday, June 22: 5:30, Lambo's vs City of Canyon; 7:00, Kiwanis vs Calvary Baptist.

Monday, June 26: 5:30, City of Canyon vs Lewis & Lewis; 7:00, Lambo's vs Faculty.

Thursday, June 29: 5:30, Kiwanis vs Lambo's; 7:00, City of Canyon vs Calvary Baptist.

Monday, July 6: 5:30, Lewis & Lewis vs Faculty; 7:00, Kiwanis vs City of Canyon.

Thursday, July 10: 5:30, Faculty vs Calvary Baptist; 7:00, Lewis & Lewis vs Lambo's.

Monday, July 13: 5:30, Kiwanis vs Lewis & Lewis; 7:00, Faculty vs City of Canyon.

Thursday, July 17: 5:30, Calvary Baptist vs Lambo's; 7:00, Kiwanis vs Faculty.

Monday, July 20: 5:30, Lambo's vs City of Canyon; 7:00, Calvary Baptist vs Lewis & Lewis.

Thursday, July 24: 5:30, Kiwanis vs Calvary Baptist; 7:00, City of Canyon vs Lewis & Lewis.

Monday, July 27: 5:30, Lambo's vs Faculty; 7:00, City of Canyon vs Calvary Baptist.

Thursday, July 31: 5:30, Kiwanis vs Lambo's; 7:00, Lewis & Lewis vs Faculty.

Canyon Teacher Attends Workshop

William Stocker, science teacher at Canyon Junior High School, is enrolled in a Conservation Education Workshop being offered June 6-23 at West Texas State University.

Directed by Dr. Charles Nelson of the WT department of geography, the workshop meets from 9 a.m. through noon Monday through Friday. The course counts for three hours of graduate level work in education.

The Texas Education Agency is providing a series of speakers or resource specialists who will appear at eight of the 14 class meetings.

Agencies providing resource personnel include the Texas Forest Service, State Water Development Board, Texas Parks and Wildlife Department, Bureau of Economic Geology at the University of Texas in Austin, Mid-Continent Oil & Gas Association and the Soil Conservation Service.

A day-long field trip scheduled for June 22 includes visits to area farms to observe land and water conservation efforts, the agricultural research station at Bushland and a possible stop by Buffalo Lake, southeast of Canyon.

Stocker is attending the workshop on a tuition scholarship from the Palo Duro (Randall County) District of the State Soil and Water Conservation Board.

He resides at 504 Eleventh Avenue, Canyon.

Rotary Hears Talk On Rome

Canyon Rotary Club heard Paul Summers speak on "Rome and Vicinity" at their Tuesday luncheon meeting at the Community Center. Mr. Summers accompanied his talk with slides taken while touring Europe last November.

The Lee Roy Morelands and Mitchell Joneses are returning from the Rotary International Convention in Houston, where they have been representing Canyon Rotary for the past week.

Next week's program will feature John Young Brown, Sr., speaking on "Problems of Aging."

Palisades Palaver

Bridge Being Built With Muscles And Donations

BY VICKI HOOKER

WITH THE HELP of the Lord, two tractors, two wench trucks, the strength of many men, and a water girl named Sherry Seitz, we at last have a two-way bridge on the north side. If you weren't there Saturday, you certainly missed a lot of action! But many, many thanks to those who were there, because now one can drive across without being afraid for his life.

THE TWO flatcars have made an excellent foundation for the bridge. Now all we need is about $400.00 to $500.00 more in donations to be able to concrete the tops of them. We now have approximately $150 in donations, but the total cost will be somewhere in the neighborhood of $600. It has been explained to me that the flatcars will need to "settle" some before concreting them, but of course the treasury is open now for donations.

WE ARE PROUD of our men for getting the job done right. For so many years this bridge has been a topic of discussion, and at last some progress has been made. So please, everyone who is able, donate your $20.00 for a yard of concrete so that we can complete that project and move on to something else!

THE MEN who worked Saturday were very appreciative of the lunch in the park prepared by Kathy Fleming, Lena Edwards, Cleo Farr, and Lorraine Inman. Each work day, some of the women will be contacted to make sandwiches, etc., and take them to the park. You'd be surprised how many workers you attract that way!

JARRIEL, NELL, GREG, and Doug Moore returned last Thursday from a six-day vacation. Their first stop was on a river just outside Coleman where they attended a reunion of Jarriel's family. Nell said the boys really enjoyed swimming in the river, which was quite a switch from swimming in our creek.

FROM THERE they traveled to Austin to visit Jarriel's sister. Mrs. R.L. Brooks, then on to Dallas for a visit with a niece. Lura Helms. While there they went to Six Flags, but the boys enjoyed swimming in the pool at Lura's apartment house most of all.

THEY RETURNED home Thursday night at 11 p.m., and Jarriel had to leave at 5 a.m. Friday for two week's reserve training Gulf Port , Mississippi.

AT LAST account the Hooker's and the Walker's were in Santa Clara, New Mexico and having a ball. They should be home by tomorrow or Saturday.

STAN HOOKER will probably go the rest of the summer without any injuries, but right now he has a broken wrist, and it just had to happen while his folks were away. Last Thursday night while riding Mike Hooker's Suzuki , he rounded the corner by our house at a much faster speed than necessary, and lost control of the cycle. He now has a hairline fracture of the left wrist, but is doing fine otherwise.

RODNEY THOMPSON is home from the hospital after a seige of hepatitis. He says he feels great, but I'm sure he still needs rest. So you kids might help him out by going to see him one at a time instead of in droves!

WE WERE ALSO glad to hear that Nancy Inman is home from the hospital after suffering with high fever and a kidney infection. She is doing well now, and we hope her recovery continues at a steady pace.

JAMIE WALKER is very proud of his brand new Penton 100, which he got last Saturday. It came in a crate, and J.R. Horne helped Jamie assemble it. Since Saturday he has only been off it long enough to eat and sleep, and that hasn't been for very long at a time!

ROGER STEPHENS, nephew of Mr. and Mrs. Jack Stephens, will be among four young men directing the services for the Golden Spread Youth Rally which will be June 23 through June 25. The rally, sponsored by area Churches of Christ is open to all youth in the Golden Spread and will be held in the Amarillo Sports Arena at the Tri-State Fairgrounds.

The theme of the rally will be "Searching for Maturity," and the entire weekend will be devoted to intensive teaching of youth. David Hutton, a youth evangelist from San Antonio will be the keynote speaker, and music will be directed by Lyndon Latham of Amarillo. Services will begin Friday, June 23 at 7 p.m., and will conclude with a special singing service Sunday at 2:30 p.m. Activities will include special singing groups, recreation, refreshments, and city-wide communion services Sunday at 8 a.m.

BESIDES ROGER STEPHENS, the other young men directing the services will be Ron Loe, Del Glass, and Theron Talley. Again, the rally is open to all youth in the Golden Spread, so don't forget those dates, June 23, 24, and 25.

THE HOOKER family is extremely proud of middle son, Doug, who has surrendered to preach. His decision was made public last Sunday night at Avondale Baptist Church in Amarillo. We would hope that those of you who know Doug would remember him in your prayers as he grows in his service for the Lord.

THAT'S ALL I have for this week. Many thanks to those of you who called and gave me your news. Keep up the good work!

HAPPY birthdays to Tommy Cannon on the 15th and to Nancy Inman on the 17th.

Lake Tanglewood news

CHURCH SERVICES were held inside last Sunday because of rain and wet ground. Special music was provided by two youths. Leann Fletcher and Keith Pyeatt, who sang "Reach Out to Jesus." They were accompanied by Claudine Van Doran on the piano.

CHURCH MEMBERS were very pleased with the 100 new upholstered chairs which were bought with donations.

THE CHARTER Membership roll is closed, but anyone may still join the church either by moving their letter or by establishing an associate membership. At present 65 have joined the church by associate membership and 95 by regular membership. If at present you don't have a church home, the Lake Tanglewood Community Church welcomes you.

A WEDDING took place at the home of Murray and Irene Gray last Sunday at 11 a.m. Their daughter, Lauri was married to Paul Cizon. The happy couple are now on their honeymoon at Hotel Cabo de San Lucas in Baja, California, and Old Mexico. Congratulations to the Grays and to their daughter and new son-in-law!

DEWARD WALKER is home from the hospital and is doing fine even though he is still unable to work. We're certainly glad he is better and hope he is fully recovered soon. Also happy belated birthday to Deward whose birthday was Wednesday.

GENEVIEVE Currie's father, Gene Monnigan, is recovering very well from his surgery and is presently at the Currie home. Mr. and Mrs. Monnigan's home was destroyed in the flood at Sequin, and they plan to move back to Amarillo.

THE SOUTH Amarillo Garden Club was entertained by Virginia Fick last Friday. Members visited the homes of Julia Manning and Roberta Currie, who has a green house.

AFTER THE TOURS everyone went to the clubhouse for boating and a luncheon. All had a very enjoyable day.

KEN and Paula Hanna have been doing some entertaining, too! Ken's brother, Eddie Jo, and his wife and children from Lubbock have been visiting recently and really enjoyed supper cooked by Paula and boating and swimming afterwards.

JAN CASH will be entertaining soon too, but not people. Recently she found 18 Mallard eggs in her iris plants and 4 in her boat house! Jan says it takes the eggs 28 days before they hatch. She has not kept a tab on them but she feels as if theyshould hatch very soon. The mother duck rarely leaves the nest, and Jan feeds her while she is sitting on the eggs. Shouldn't be long till there will be a lot of little quacks at the Cash house.

THEY SAY dawn and dusk are the best times to fish and I guess they're right! Last Sunday Keith and Allen Ritter were on the lake by 6:30 a.m. and caught five bass. One of those was a five pounder caught by Keith!

JACK AND ALMA Anderson's foster grandson, Corky, who is fifteen, was fishing Saturday night about 10 o'clock. He spotted some shad near the shore and was going to try and get them with the landing net. But instead of shad, he brought up a beaver! Now there's a fish tale for ya!

KEEP THAT NEWS coming in! Thanks! See ya—

8 Canyon Women Attend Workshop

Eight women from Canyon were among participants in a five-day Creative Education Workshop held last week at West Texas State University.

They include: Shirlene Bishop, Route 1; Lottie Bell Cosby, 2713 Ninth Ave.; Rue Duncan, Route 1; Marguerite H. Green, 2515 6th Ave.; Zoe C. Henry, 1303 3rd Ave.; Juanita Hicks; Gwendolyn B. Norrell, 507 Holman Lane; and Ele M. Sherrod, 2501 11th Ave.

The workshop, designed to assist teachers in "humanizing education," was sponsored by the American Association of Elementary-Kindergarten-Nursery Educators and was directed by Mrs. Margaret S. Woods, associate professor of education at Seattle Pacific College.

Mrs. Woods, immediate past president of the association, is nationally recognized for her work in creative education.

The course was designed to be of value to teachers from kindergarten through high school and especially to curriculum directors, principals, and other supervisory and administrative personel.

Lectures, participation and demonstrations with children in music, art, social studies, science, puppetry, dramatics and literature were among featured activities.

Pool Hours Reset

City manager George Loudder has announced that the swimming pool at Conner Park has changed its schedule of operation.

Loudder said the pool will now open at 2 p.m., instead of the previously announced schedule of 1:30 p.m.

He said the class schedule of the summer recreation program which started Monday is running slightly overtime. An extra half hour has been allotted to give swimming classes time to leave to pool area before opening it to the general public.

Town Acquires Oxygen Set — FHA At Workshops

By SUSAN DOLLE

THE UMBARGER VOLUNTEER Fire Department has recently purchased a portable oxygen set that is available for anyone's use. The men decided it could be a life saver in the event of smoke inhalation, asthma attack or heart attack, and as an aid in giving mouth-to-mouth resuscitation. Jack Brandt of the department said the set will be placed in the fire truck and that Umbarger residents can obtain a key from any member for the fire building. Vincent Meyer, Jr., of Meyer's Repair Shop and Buffalo Lake Refuge also have sets available.

TWENTY-ONE GALLONS of oxygen compressed to 1790 pounds is held in a small sphere with an attached mask. It fits in the hand and is easy to operate. In an emergency, remember that it is in the fire truck and is ready for use.

THE 1972 WHEAT crop is in the middle phase with good yield reports for the dryland of 10-14 bushels per acre. Vincent Ramaekers of Umbarger Co-op Elevator expects that with dry weather, the irrigated crops will begin in earnest this weekend or early next week.

SPORTS ACTIVITIES FOR young men this summer include baseball and karate. Chris Skarke, Mark Brandt, Kevin Raef, and Steve and Don Thompson are among those who play for baseball teams in Canyon. Glenn and Jeff Stocker, Mike Wieck, and Kenneth Wieck attend karate classes at the YMCA in Amarillo. Glenn has been working out the longest and has obtained his brown belt. He says boys from ages 12-20 are enrolled for classes three times a week.

FUTURE HOMEMAKERS OF America officers have been in Lubbock this week attending workshops. Juanita Hartman, Jan Wieck, and Donna Hartman were among the participants. They will serve as officers for the Canyon High School chapter next year.

VISITING the Lindemann families in June are Sister Bertille Lindemann and Sister Mary Austin, Sisters of Mercy from New Orleans, La. Also here are Mr. and Mrs. Donald Woods and five children from Columbus, Ohio, who will be visiting for three weeks.

THE VINCENT RAMAEKERS famliy entertained Vietnamese guests last week. Visiting in their home were Father Pham, a journalist at St. Louis University and Sister Mein and Hang who have been in the U.S. three months to learn English. They will return to their native land in two years to be language instructors in their convent. They were guests of Sister Dorothy Albracht.

PRESCHOOLERS FROM THE Ecumenical Summer Church school in Canyon visited the Willie Wieck and Tom Payne farms last week where they saw a variety of animals: an almost-tamed porcupine, guineas, peacocks, and chickens, turkeys, ducks and geese and a hatching gosling as well as pigs and calves. This was the third group this spring for a field trip at the farms.

DON'T FORGET THE Umbarger Community association games night June 22 at 8:30 in the school gym. Everyone in the community is invited to attend. A short business meeting will be held to report on the progress of the newly-formed organization.

Westside Club Plans Meeting

A program on creative arts will be presented to members of the Westside Club June 21 when the club meets in the home of Mrs. June Harvey.

The club met in the home of Mrs. E.W. Bourn June 7 when the roll call was answered with the member's funniest experience in a car.

Mrs. J.G. Voelms presented a demonstration on cleaning and oiling a sewing machine. Plans were also made for a family picnic July 8 at the home of Mr. and Mrs. Paul Glovier.

Present at the meeting were Mrs. W.A. Branum, Mrs. R.A. Burrus, Mrs. Frank Cornett, Mrs. Paul Glovier, Mrs. Lewis Harvey, Mrs. T.J. Mires, Mrs. Fred Richards, Mrs. Ralph Ruthart, Mrs. J.G. Voelm, Mrs. Ray Metcalf and one visitor, Mrs. Gatton of Amarillo.

We've got over 300 good, steady jobs.

In construction, transportation, communications, computers. For photographers, printers, truck drivers, surveyors, typists, TV cameramen and repairmen, cooks, electricians, medical aides, motor and missile men. To name a few.

We'll train you to do the jobs. And give you full pay while you train. Starting at $288 a month.

Your choice of training, if you qualify, before you sign up.

For a complete list of jobs, see your local Army Representative.

Today's Army wants to join you.

Astros Stay In Cellar

The Astros of the Canyon Major League fell even deeper into the cellar position last week with three defeats, two of them one-hitters.

The Astros Fell 11-2 to the first place Dodgers Satruday, and 14-4 to the second place Red Legs one week ago. Both were one-hit games.

The third defeat came Monday when the Astros were crushed 14-10 by the Braves. The three losses made for a season record of two wins and four losses.

In other play, the Yankees defeated the Red Legs 6-5 Monday, but the win failed to move the Yanks out of the middle position in the standings.

Last Thursday, the Yanks won a game over the leading Dodgers, but that 12-11 score failed to prove of significant value.

Saturday, the Braves scored a 10-9 victory over the Red Legs.

LEAGUE STANDINGS

Team	W	L
Dodgers	8	3
Red Legs	7	4
Yankees	5	6
Braves	5	7
Astros	2	4

THIS WEEK'S SCHEDULE

Tonight: 5:30, Red Legs vs Dodgers; 7:30, Yankees vs Braves. Saturday,: 5:30, Braves vs Red Legs; 7:30, Astros vs Yankees. Monday: 5:30, Dodgers vs Braves; 7:30, Yankees vs Red Legs.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

Six WTSU Staffers Named Outstanding US Educators

Six members of the West Texas State University faculty and administration were selected for the 1972 edition of Outstanding Educators of America, the publication said today.

The West Texas State nominees were Virgil Henson, vice president for finance, Dr. T. Paige Carruth, vice president for student affairs, Dr. John E. Green, dean of the School of Fine Arts, Dr. Charles M. Smallwood, dean of the School of Agriculture, Dr. Ronald Huffstutler, professor of mathematics and chairman of the Faculty Council, and Dr. James B. Davis Jr., head of the accounting department in the School of Business.

Outstanding Educators of America is an annual awards program honoring men and women for civic service and professional achievements in the field of education. Nominations are made by college and university officials.

Henson, 62, a former high school history teacher, has been with the university in an administrative capacity since 1936. He holds a Master of Arts Degree from West Texas State.

Carruth, 41, holds a Doctor of Education Degree from Texas Tech University. He has been with WTSU since 1959 as an assistant professor of education, director of men's housing, assistant dean of men, associate dean of men and vice president for student affairs.

Green, 50, was a professor of music and head of the department from 1964 until 1969 when he became dean of the School of Fine Arts. He received the Faculty Excellence Award at WTSU in 1968.

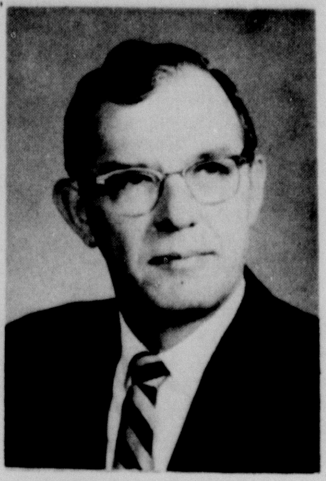
Smallwood, 46, the 1971 recipient of the Faculty Excellence Award, taught agricultural courses and served as head of the agriculture department until 1970 when a School of Agriculture for WTSU was approved. He has served as dean of the school since then.

Huffstutler, 36, served as an instructor in mathematics at WTSU from 1961-1964 and at Colorado State University from 1964-1966. He returned to West Texas State in 1967. He also reviews articles for a German mathematics magazine.

Davis, 39, first came to the university as a professor of accounting in 1968 and the next year was named head of the department. He previously taught at several colleges in Oklahoma.

Dr. T. Paige Carruth

Virgil Henson



Dr. John E. Green

Dr. Charles M. Smallwood

Dr. James B. Davis Jr.

Sherman Acres Area

Wickers Return From Trip

BY MARY JO GRIFFIN

THIS WEEK we really have enjoyed the much needed moisture we have been receiving. We can just see the weeds popping out now! But they are clean and well washed.

MR. AND Mrs. Herman Wicker on McCormick Road have recently returned from Jackson Mississippi, where they were visiting with their son and family, Mr. and Mrs. Robert Wicker. They were to attend the graduation exercises of their grandson Randy who was graduating from Jackson Preparatory School. Randy will work this summer in West Virginia and will enter the University of Mississippi for the Fall semester.

Congratulations to Don Tankersley on his 2nd place win in the big bass class of the Amarillo Bass Club. The catch was taking place at Lake Meredith this past weekend.

WE HAVE four couples in our neighborhood who will be celebrating wedding anniversaries today and tomorrow. Happy Anniversary today to Mr. and Mrs. Herbert Hall (Herb and Betty) and to Mr. and Mrs. James Anderson (James and Glenna). Tomorrow anniversary wishes go out to Mr. and Mrs. Larry Nash (Larry and Betty) and to Mr. and Mrs. John Renshaw (John and Iona). May each couple have many more happy years together.

THE WILHITE house on Antoine Street has been graced with some new storm doors. They sure are handsome and add a touch of charm.

THERE ARE several kiddos from out here enrolled in swimming classes this week at the city pool in Canyon. Some of them are Kyle Sims, Christine Hood, Tara, Shawn and Ricky Tankersley. Probably there are other that we haven't heard about.

HAPPY BIRTHDAY, Sunday, June 19, to Randy Hall. Hope the next year is a great one for you, Randy.

MR. AND MRS. Sherman Jones and Lee Don were recently in Dallas to attend the Jones family reunion. Shernan's mother, Mrs. Eunice Jones from Littlefield was here with them a few days and went to Dallas with them.

CONSTRUCTION has begun on the Don Cartwright family house on Rosemary Street. Don and Jearene have been real busy preparing, painting, and antiquing several pieces of furniture to have ready to use in the new house.

THE HERBERT HALL family was on vacation last week in the Houston area. They attended the Brumley family reunion at Toledo Bend Lake over the weedned. Stacy and Brenda stayed at Atlanta, Texas with rlatives. Stacy will be going to the BMA Miracle Camp near there at Ringgold, Louisiana. Randy stayed in Dallas with friends to attend the Christian crusade there this week.

HAPPY FATHER'S DAY to all you fathers out there Sunday. Just relax and enjoy your day.

Reading Draws Many Youngsters

The Summer Reading Program got underway Tuesday at 1:15 with about 45 children reporting to the city library to check out and read books. As part of the program, they will receive a certificate from Austin upon reading a total of 12 books. Mrs. Mary Huntington, librarian, supervises Tuesday's activities.

Varied activities are planned for Thursday afternoons, according to Mrs. Bettie Weaver, Rex Reeves teacher who is in charge. Reading aloud, acting out stories, library orientation, and a puppet show are planned for future sessions.

He wants the big things in your life to be happy.

City Of Canyon Delinquent Real Property Tax, 1971 Tax Roll As Of March 31, 1972.

THIS LIST OF DELINQUENT TAXES IS FOR CITY TAX ONLY AND DOES NOT INCLUDE PENALTY & INTEREST OR SCHOOL TAX. BOTH CITY & SCHOOL TAXES WITH THE ACCRUED PENALTY & INTEREST MUST BE PAID AT THE SAME TIME.

"Section 12.08: Compilation and publication of delinquent tax rolls: Immediately after the end of the fiscal year of the City of Canyon as prescribed by the City Commission, it shall be the duty of the Assesor and Collector of taxes, or such other person or officer as may be designated by the City Commission, to prepare a roll to be designated as the Delinquent Roll, containing the description of all property described in the assessment rolls of the fiscal year just preceding, together with the taxes due thereon. . .Said delinquent roll shall be published not later than ninety (90) days after the end of each fiscal year or as soon as possible thereafter once each week for four (4) consecutive weeks in some newspaper published in the City of Canyon, and shall be entitled to charge Two Dollars ($2.00) for advertising such tract of land separately assessed which shall be taxed as a charge against the property on which the tax is due, and no receipt to any delinquent tax payer shall be issued until such cost of advertising has been paid..."--
Home Rule Charter of the City of Canyon, Texas.

Happy News

Flea Auction Planned - Jaycees Picnic - Coffeehouse Opens

By MARY NEAL HENRY

TRI STATE HIGH School Rodeo Club met last week and planned to have a "Flea Auction" in the near future. Their rodeo is August 4 and 5 and they are already busy planning it. Anyone may make donations to this Flea Auction. If you have any items to donate, contact Wendy Sims, Bill or Chris Pearson, Karen Murdock, Kevin Murdock, Kevin Donnell, or Gary Barrett. And all you high school students plan to be in Happy for the Tri State Rodeo the first week-end in August.

HUGH FAMBRO'S DRY-land wheat on the G.L. Miller farm averaged between 11 and 11½ bushels per acre and tested 62. There were 130 acres of it, too. Pearl said that it never did hide her black cat and someone even teased Hugh that he was going to have to have a vacuum cleaner to get it. But Hugh is pretty good with that combine. Foster Parker did say it was the first wheat he'd ever received with cow chips in it.

NANCY (WALBERG) SMITH was hit by a bus and very seriously injured when she stepped from a bus and attempted to cross the street in Dallas last Wednesday, June 7. Nancy will be in Baylor Hospital for approximately two months. She has a hairline fracture behind her left ear but no brain damage, both legs broken-one a compound fracture, both pelvis bones broken, broken ribs and multiple bruises. Nancy recognizes her family and gave the other secretaries where she works instructions for all the business under her direction. Dr. Lowell Smith flew from Washington D. C. to be with Nancy and stayed until all Nancy's internal organs began functioning. Jo and Dave drove from Borger to Dallas and Gene Parker drove Lena Walberg and Lou Parker to Dallas on Friday afternoon. Nancy's address is Baylor Hospital, Room 6435, Dallas, Texas 75246.

MRS. OSCAR McDONALD was brought home from the hospital on Friday. She is resting well.

PHIL CALLED ME Friday night. Some of those Gruver ex-students were throwing clods at the football field there and one hit Chris Bradley in the forehead and cut a deep gash. Eight stitches were required to sew it up. Gruver is in the process of resodding their football field. Melvin and Phyllis were two of the sponsors who accompanied the Spanish class to Old Mexico the day after graduation. They had an exciting few days, which included a bull fight.

ALDEN MANN WENT through the clinic at Temple while he and Ruth were gone on their vacation. Then they went on to Mansfield to Jack and Jan Ratjen's home. Ruth said they didn't know where they'd go from there.

DAVE AND TRA McNeill and Mike have moved to a place just north and east of Ralph Switch, and Dave is already enrolled in college for the summer. Dave planned to finish and he is back from Minnesota to complete those plans.

BILL HARLE WAS in Happy last week standing in Mrs. Null's yard visiting with several boys as we went to Bible school one morning. Bill will be coaching in Senora this fall.

RICKEY CAGLE PLANS to go to Texas A&M and study to be a veterinarian.

MILDRED AND WILLIARD Middleton gave a birthday dinner party for Mrs. Flora Middleton on her 93rd birthday last Sunday. Williard Bar-b-qued ribs outside for Lucille and Gordon Thompson and their son, Terry from Lubbock; Calvin and Dianne Middleton and Becky and Vicky of Del Norte, Colorado and their son and family, Tommy and Jane Middleton and their dauther, Jana Lou of Post; Jack and Margaret Middleton and their children and families, Janet and David Hutto and Tim, Ted, and Kip of Pampa, and Ronnie and Alice Middleton and their sons, Mace and Marty; and of course, Williard and Millie's Jan and Albert Irlbeck and the twins, Tori and Tara; and Don Ed and Jimmie and Kathy and Max of Dawn; Williard's brother-in-law, M.T. Whitney of Vinita, Oklahoma. Several friends called during the afternoon, Della Venhaus, Fay and Jo Hand, Sis and Willa Elliott, and Willa Jane and Christi, Leona McFarland and Lonas and Moon Wright.

DEBBIE MAGNESS ENTERED the barrel racing at the Tulia Junior Rodeo and rode on Saturday night.

THE 4-H HORSE Project group met Friday night, at Happy. Present were Chris Pearson, Bill Pearson, Becky Via, Debbie Magness, Valerie Tipps, Sherry Starkey, Nancy Woods, Eddie Joe Pearson, David McDonald, Jay McCarley, Mark Tackitt, Becky Via, Ronnie McDonald, Colette McCarley, Neal Odom, and Angelique Henry. Sponsors Billie and Wayne Pearson, Bob and Linda McDonald, were there. Other adults included Pete Odom, Mr. and Mrs. Starkey, Vivian and George Woods, Floyd Tipps, Sheri and I. Linda and Vivian served soft drinks and cookies. All over nine will participate in the County Play Day next Friday at 6 at Cobb-Wheeler-Mote Arena. They practiced pole bending and barrel racing and western pleasure. Plans are still in progress for a trail ride in the canyons. Highlight of the evening was catching a prairie dog in the arena. They all got to see him "up close" and he was a big fat one. No one knew where he came from.

THE HAPPY CHIEFS, Tim Moudy, Doug Sims, Vince Price, Jimmy House, Mark Tackitt, Wade Grubbs, Scott Railsback, Scott and Vance Morrison, Steve Altman, Corin Freeman, Bobby Strohmeyer, Billy Ray Garcia, James Moore, Clay Simons, and Kyle Campell had an open date Friday night. On Tuesday of last week they lost 17 to 14 to the Nazareth Astros. Tim Moudy and Vince Price hit home runs. Jim Whitlow and Rickey McPherson coach this team.

HAPPY'S LITTLE LEAGUE Braves beat Nazareth Dodgers 6 to 4 on Tuesday of last week. Raphe Shipman caught a long fly ball in center field. Danny Wrenn, Sidney Eads, and Mike Weavers hit home runs. George Tirey and Gene Shipman and Albert Null coach this team. On Friday, they played the Nazareth Astros in Happy and were tied 5 to 5 at the end of the game. In the extra inning, Happy lost 6 to 10. Must have been a thriller until that last inning! Raphe Shipman, Mike Weavers, Sidney Eads, Danny Wrenn, Chuck Walker, Rod Walker, Vincent Ray Venhaus, Luther Vandergriff, Kyle Odom, Kevin Odom, Gregg Hampton, David Lane, Hol Toles, Tommy Tetillo play on this team.

PAULINE WESLEY WAS the Installing Officer (and I was her assistant) at McLean's Eastern Star chapter installation last Saturday night. Mrs. Frankie Smith was installed Worthy Matron and her husband J. Boyd Smith, who is also Pauline's nephew, was installed Worthy Patron. Frankie and J. Boyd's purpose for the year to "Make good the opportunity to serve." Her scripture is "Hear instruction, and be wise, and refuse it not," Proverbs 8.33; and her emblem is the golden Chain of Friendship. Her colors are shades of green, silver and gold, and her flowers are all flowers. They said they loved them all. The Smiths gave Pauline and I an orchid corsage and a book for helping in their installation. (Been a while since I had an orchid. Sure lifts your morale.) She had green artificial roses in the East and a bouquet of white roses on the serving table. Green sherbet punch and white cake decorated with a corsage of green roses were served to about fifty persons. Ludy and George Vaughn of Hawthorne, California, (Pauline's sister who has been visiting her) also attended with us. Ludy is a member and past matron of McLean Chapter and was attending there for the first time in thirty years. Evelyn Stubblefield, still active in that chapter, was Worthy Matron when Ludy left McLean.

GLADYS HALEY, PAULINE Wesley, Nora Taylor, and Ruth Sims were among the Grand Officers honored at a tea in Plainview on Sunday afternoon. The tea was given by all of District 2 Section 3, for all their Grand Officers. Evelyn Shipman, Evelyn Dowd, Viola Buchanan, and Willie Butler also attended. Punch and cookies were served from a formally decorated table centered with a bouquet of roses. Other Grand Officers attending were Frances Austin, and Wilma Seipp of Plainview; Alene Leake, Cortez Dowlen, and Rae Walters of Canyon: Joe and Birda Foster and Anna Dell and Ewald Quebee from Lockney. There were thirty Grand Officers in all and many, many attending. Everyone enjoyed visiting.

GLADYS HALEY SAID it is quite a "grandma" experience to keep three grandchildren all week and send them to vacation Bible School. Gladys had Glenn and Ellen's two girls, Jo Ann and Cindy and James and Linda's son, Richard.

BAPTIST HAD 141 enrolled in Vacation Bible School during last week. Commencement was Sunday night at 6 and delightful. The children sing well for Steve Vernon, who is our music and youth director for the summer. He led each class in songs they had learned during the week. They recited memory verses and the older ones gave a skit on missions. Brother Paul Heil showed slides that he took the first morning and of the parade on Saturday and they were good. Seven were added to the church by Baptism and everyone enjoyed cookies and punch in fellowship hall after looking at the children's handwork. We had a grand time!

I HEARD THE Methodist served hot dogs for commencement but none called and gave me any details. I'd like to have heard about that.

THE CHURCH OF Christ are having their Bible School this week every morning from 9 to 11. Someone call me and tell me about it. I do know they are still running that gospel chariot. But I've never seen any children get off. They ride it all around the town and then back to the church and walk home. Ha!

THE COFFEE HOUSE, Mustard Seed, was a success Saturday night. A good time was reported. On Sunday afternoon, they held open house from 2 to 4, and had a program about 2:30. I didn't make it, but I'd like to have. Sounds like a good project.

THE BLOOD BANK will be at the First Baptist Church's fellowship hall on June 21 from 5:30 to 6:30 to replace blood for Mrs. L.W. Rhoads. If you can give, please plan to do at this time. Mr. Rhoads said Sunday morning that Mrs. Rhoads is feeling better, but still hasn't any appetite.

JACKIE PYLE HASN'T rented that trailor space yet. It is located south of Hollis Shipman's home in the east part of Happy.

SHERMA FLOWERS had a coke party honoring Kathy Bates on Saturday afternoon. Coke floats and lemon pin-roll cakes were served to Pam Shipman, Deborah McDonald, Sharon Dietz, Kay Sheets and Vickie Wilson, honoreee and hostess. Everyone presented Kathy a gown ensemble and enjoyed visiting. Kathy was a little late to the shower. She wasn't used to driving on slippery roads and she slightly slid off the road and through the fence.

HAPPY JAYCEES HELD a family picnic in the canyons Sunday afternoon. So many things were happening all in the same afternoon that families came and left all afternoon, but somewhere between twenty and thirty families attended. The children and some adults swam, hiked, and all visited. Two games of horse shoe pitching were in progress and one that I don't know what was named. It was darts with a large fan tail and you threw them at a circle. I never did play, so I don't even know how you scored or won. Some played cards and one was reading a book, a very relaxing afternoon. Several stayed on after dark here at the house and we later cooked some sausage, eggs, and hot biscuits. Those Jaycees and Jaycee-Ettes are a compatible group.

PLANS ARE UNDER way for the Happy Celebration to be held in August. Happy Jaycees are planning a rest stop for the July 4th travelers.

CHRIS PEARSON, VICE president of Happy 4-H, called the meeting to order Monday night at the Jaycee hall. Andy Rahlfs and Marta Donnell led the pledge of allegiance to the flag and the 4-H pledge.

ERNEST KEKER, ASSISTANT county agent, presented the program on keeping records and entering record books in competition.

CARRY VENHAUS WAS welcomed as a new member.

THE 4-H SQUARE Dance Club will begin in August.

VICKIE AND RICKY House won 4th at State in Share-the-Fun out of 26 entries in that category. Bill and Chris Pearson won 7th in Livestock Judging at the state competition.

BILL, CHRIS, and Eddie Joe Pearson and Vincent Venhaus and Vickie Venhaus served refreshments to about thirty members and ten adults.

BARBARA SHIPMAN HONORED Vicki Wilson with a lingerie shower on Sunday afternoon.

I WILL TRY to have more baseball scores for you next week. Call me with your news either at 764-2865 or 764-2158.

See ya!
Mary Neal

Warren Gets Med Degree

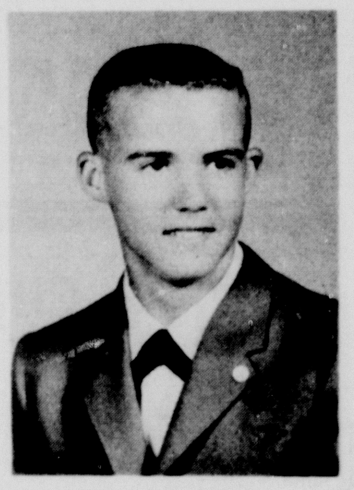
Randy Warren has been graduated from the University of Texas Medical Branch at Galveston and will do intern work at Brooks General Hospital at San Antonio.

Dr. Warren will hold the rank of captain in the US Army.

On hand for the graduation were Randy's parents, Mr. and Mrs. Meredith Warren, and his grandparents, Mr. and Mrs. W. A. Warren, all of Canyon.

Randy is a native of Canyon. He is married to the former Diane Williams, daughter of Mr. and Mrs. Jack Williams, Midland, formerly of Canyon.

Dr. Warren hopes to board certify in the field of anesthesiology and medicine.



RANDY WARREN

He is a 1965 graduate of Canyon High School and a 1968 graduate of West Texas State University. As a boy he was active in Scouting and held rank of Eagle Scout.

Through high school and college, Randy was a photo lab technician for The Canyon News.

McKay Excels At University

Robert Reynolds McKay, son of Mr. and Mrs. R.O. McKay of Route 1 has been named to the honor roll for the spring semester at the University of Oklahoma with a straight A (4.0) average.

McKay is now working on his doctorate in geology. He is a graduate of Canyon High School. His BS degree was earned at Southwest Texas State University at San Marcos, and his masters degree was received at the University of Oklahoma.

WHAT'S ELECTRICITY BEEN DOING LATELY?

...TAKING OUT THE TRASH.

The most innovative electric appliance on the market today is the electric trash compacter. Plug into any 120 volt outlet . . . use it free-standing or built-in . . . in the kitchen, utility room or garage. Let your electric appliance dealer show you how to reduce your week's accumulation of trash to one neat bag.

What's electricity been doing lately? On the job, for you — as usual.

Coopers Have New Camper — Residents Spruce Up

By TOOTIE BYBEE

WELL, HELLO AND how are all of you these days. I suppose most of you have done a little traveling this summer or are anticipating doing so soon. Lots of baseball activity and preparation for summer camp is going on among the little 'uns these days. Vacation Bible School has kept a lot of them busy already. Sorry I missed the columns the last two weeks. We have been visiting here and there. So, glad so many of you ask about it, that way I know someone is reading it!! Now a little news for all of you.

MIKE AND BLANCHE Hudson sure have been busy painting and all on the house. Hear they are fixing up one of the bedrooms for a "Nursery". Can't wait for the new "little one" to get here. The house sure is looking pretty!

THE TRACY COOPERS have purchased a new cab-over pickup camper. Saw them at the Grocery Store the other day and they were stocking up on vitals to take to the mountains for a week of fun and rest and peace. Hope they enjoy themselves. They have been so busy working on their yard guess it's nice to get away for a while. Hope they get back in time to transport us all to summer camp!!

THE WHITEHEADS HAVE been doing the same thing, working on their new rooms and getting ready for the new baby. Michal Ann's mom and dad have been helping out also. I understand one closet alone got painted by so many different people so many different times they used 2½ gallons of paint on that closet. I think some one better organize over there. The beamed ceiling in the new den is just beautiful! I see why Roger hasn't been around on his motorcycle very much here lately, he's been working.

THE EVANS HAD a houseful this week-end and enjoyed every minute of it. Barbara's sister and brother-in-law, Mr. and Mrs. Bill McKey were down with their three daughters and little son. Also, Leroy's brother Floyd came out and they got in a little fishing, except Leroy. I know Leroy has a dangerous job but guess why he's been on crutches this week-end?? He fell down and hurt his knee playing baseball with the kiddoes!! The two Evans girls have been real helpful this past week. They served as junior assistants in Vacation Bible School at their Churches. Understand they both gained a lot from it and the children just loved them. I know their mother was glad to have them help!!

TALKED TO BETTY Malson and asked her what they had been doing to keep busy since school was out, and she said she had become a taxi service. Seems Denise and Matt both are playing ball and it keeps her running to and fro to keep up with all the practice and games. Guess we all feel like taxis every once in awhile. Good luck Matt and Denise—hope you both win them all.

THE TOW'S ARE busy getting ready to leave for Europe this week-end. Sure wish I were going along. Can't believe they are going to leave me behind. They'll be gone three weeks and probably have lots ot tell us all when they get back. While they are gone all four of the kiddoes will be busy at other projects and travels. So, it sounds like the whole family will be having a good time. Mike won second place this past week-end at the races celebrating the Dumas Doggie Days, at Dumas. That boy has so many trophies, don't know where he will put any more.

GEE, I SURE hate to tell you all this. Most of you are already aware that the Burdettes have sold their home and will be moving by the 15th of July. How we hate to see them go. Such wonderful neighbors and gracious friends. We will truly miss you, Bill and Johnnie and hope you will be really happy in your new home. To Mike and Tawanna, we will miss you too. The memories of all the good times we had will linger on a long time. To Mrs. Reynolds, who let me call her Mrs. Edwards for a year and never corrected me because she is so kind! We'll miss you so much, seeing you in the yard or out and about, and your smiling face, most of all. Hope you will all come see us.

THE ROGERS ALSO have their home up for sale. How we hate to lose good friends and neighbors. Mr. Boren also has been transferred to Clovis and they will be selling their home and moving soon. Guess the only way to look at this is the fact we will have new neighbors soon. New neighbors have moved into the Bryants home and Whites home. Will get around and meet them and let you know about them next column. You all get out and get acquainted with them also then let me know!!

NOTICED THAT THE fad of bicycling has really caught on in the neighborhood. Saw Shirley and Howard Jones out riding around, Mr. Banman, Mrs. Boren and son Lee and many others. Just trying to co-ordinate myself enough to walk is about all I can manage.

OUR FAMILY SURELY enjoyed their little vacation these past weeks. We journeyed over to Louisana and came back by way of Dallas and saw lots of sights and some friends. Visited with the C.M. Eads in Hallsville, Texas, and they all send their love back to all their friends here and in Amarillo. While in Longview we picked up a new addition to the family. A new Boxer puppy and we sure are proud of her. Guess you all know that by now. Stopped and talked to Jo Ann Ross and Joan Gillis in the road the other day and got to show off the puppy to them. Enjoyed having my brother's boys here with us for a few days this week and I promised to put their names in the paper so they could see it, so, we were glad to have Holland, Kelly and Billie Wade visiting with us this week. There you are, boys. We took a picnic lunch and went to the Canyon and had a fine "hot" day together.

WANTED TO SEND a new recipe along to you all that I got while visiting. Hope you'll try it and hope even more you will like it. This is from Opal Eads.

Fruit Pie

1 Can Cherries (drained)
1 can pineapple tidbits
1 cup sugar
¼ cup flour

Combine in pan and cook until thickened, pour in quickly 1 box of orange jello and stir in quick. When dissolved, set aside to cool while you chop 6 bananas. Fold in and pour into 2 baked pie shells, top with whipped cream and chill. Takes about 10 oz. of cool whip.

SAW LOTS OF you out and around this past few days. Mr. Robertson and Mr. Buckles mowing all those vacant lots and lovely lawns. Makes everything look so neat and nice. Mrs. Buckles and Mrs. Alley cleaning out flower beds and planting new flowers. Thanks for the flowers you gave me. The Tows on a family outing on the motorcycles, enjoying the lovely summer days. Lori Lee Laid having fun on her bicycle. Tracy and Jubal Gillis enjoying the pool in the back yard. The Morgans talking with a neighbor over the fence. Steve Ross driving his little yellow Mustang and with a friend in a "lovely truck." Shelley Whitehead enjoying the visit of her aunt Julie Odom. Brent Mitchell and Spooky Whitehead having fun in the front yard. Rick and Traca Cooper having a water fight with Tawanna Burdette in their back yard. Trina on the trampoline. Joyce Minor getting in the car with the new baby Marcy. Kay and Karen having a ride on the trail bike. Leslie and Lenise having fun on the trampoline. Nancy Robertson on her bike, and her brothers who need to practice riding double backwards!! Larry Pate buzzing around on his motor. Susan and Wayne Steen working on their new home and yard. Just lots and lots of busy people.

SO GLAD TO see Mr. and Mrs. Bedwell back from their visit to Mena Arkansas. They went with their son and his family, Mr. and Mrs. Dean Bedwell. They visited Mr. Bedwells sister and lots of other kin folks while there. Noticed they had lots of help working their garden the other monring, guess lots of folks are glad to see them back.

WELL, TWO OF the Buckles kiddoes are really "Flying high" these days. Steve and sister Cindy flew from Amarillo to Wichita, Kansas, to spend the summer with their grandparents who live in Eldorado Springs, Missouri. Bet they will be having just a whole lot of fun.

DON'T KNOW HOW many of you like hot sauce and make your own, but I do and it takes hours usually. Well, came across this little ole recipe from a friend, Mrs. Hazle Crouch **and she** shared it with me. Not just like the long cook method but is really good and sure is handy in a hurry. And so good with Mexican food, etc. might give it a try if you like hot sauce:

Chile Sauce

½ cup hot peppers
¼ medium onion
4 cloves garlic or
½ teaspoon garlic powder
¼ teaspoon cumins
6 medium tomatoes
1 Tablespoon salt

Blend all this in blender and enjoy.

SORRY IF YOU found this a little long this time but had missed out on so much while I was gone. Will be missing again for another couple of weeks and would be so happy if one of you would fill in for me while I'm away. Know you are all about as busy as I, but if one of you could please, give me a call. Six little excited girls and I are getting ready to spend 2 weeks in the mountains around Taos at Summer Camp, Pa-ta-ni-ya, the Camp Fire Girl Camp there. Am looking forward to the great times with 125 other adults and girls there, so will see you in a few weeks.

IN THE MEAN time be good to yourself and others, SMILE. Enjoy the Summer, I am.

ONE LAST WORD: to Mr. Fowlkes: the fence looks real nice-in fact, your whole yard is really looking good. Wish I had all those nice trees!

Youth Film To Be Shown

Tripping takes on a new dimension in "Mindbenders," a color film to be shown young people in the auditorium of the First Baptist Church at 8 p.m. Saturday evening.

Intended for the high-school age bracket, the motion picture story takes a purposeful look inside a large high school where the staff photographer of the student newspaper and his girl friend endeaver to make their faith relevant.

Steve Garms, Baptist youth director, will conduct a "rap" session afterwards.

News Brief

Mr. and Mrs. Jay Collins have recently visited his grandmother, Mrs. T.W. Collins, 1907 5th Ave.

Collins is the son of Mrs. Joe B. Collins and the late Joe B. Collins of Odessa. He is a May graduate of the Harvard Graduate School of Business Administration. He also holds a masters degree in chemical engineering from Rice University.

Jay and Maxann Collins will live in Birmingham, Ala., where he will be associated with the Southern Natural Gas Company.

News Brief

Guests in the Arvin Triplett home, 608 7th Ave., on Friday afternoon were Mrs. Jack McCormick of Morgantown, W. Va., and Mrs. Ray Mickey of Canyon.

Sunday dinner guests of Mr. and Mrs. A.L. Triplett were Mr. and Mrs. Charles Triplett, Larry and Mike, of Hart. Mr. and Mrs. Rowland Triplett, Mary and Charlie, of Claude, were guests Sunday afternoon.

Gene Howe News

Birthdays Bring Parties, Fun And Freckles

BY TROYCE MULHERIN

EVERYONE is extremely happy and pleased when something nice happens to someone nice. One man, whose importance and impact on the Gene Howe area cannot be overestimated, just happens to be that particular someone nice. Mr. Luther Lawless has taken unto himself a bride, a very lovely and charming "Southern belle." Mr. Lawless and Brenda Berry were married in Longview, Texas, on Friday, June 9th. They plan on spending some time in Monterrey, Mexico, for honeymooning purposes. Mrs. Lawless has two children. Teena is ten years old and will be entering the fifth grade at Gene Howe come school days again. Ricky is thirteen and will enter the eighth grade. Mr. Lawless and his family (including two dogs and two cats) will be returning to Amarillo about the 18th of this month, and will continue their quest for a home in the Gene Howe area. All of us in the community extend a warm welcome to our new family and wish them happiness everlasting.

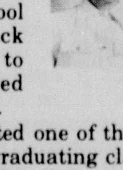
CENTRAL
CHURCH OF CHRIST
4th Ave. at 21st.

WELCOMES YOU
SUNDAY
EARLY WORSHIP — 8:30 a.m.
BIBLE SCHOOL — 9:30 a.m.
LATE WORSHIP — 10:20 a.m.

EVENING WORSHIP — 6:00 p.m.

WEDNESDAY
LADIES' BIBLE CLASS — 10:00 a.m.

WEDNESDAY
MIDWEEK SERVICE — 7:30 p.m.



IN FACT, Mr. Lawless is bursting with good news. His son, Mark, graduated from Monterrey High School with a track scholarship to Baylor tucked under his arm.

Mark was voted one of the Top Ten out of a graduating class of six hundred. This honor was bestowed upon him, not only for excellence in grades, but in appreciation of his outstanding performance in extracurricular activities. Congrats to you, too, Mark.

DANNY SELLARS, son of Mr. and Mrs. E.R. Sellars, celebrated his thirteenth birthday on the 10th of this month with him family at their cabin in Tres Ritos, New Mexico. Danny's mother, Gwin, says all this summer fun has caught up with them, so the family decided to get away from it all for a few days.

HERB McGregor's sixth grade girls baseball team has been in there swinging, Shari Boothe and Kim Wallace each hit three home runs in their recent game with Mesa Verde. Needless to say, Herb's team won. (again).

ANOTHER winning team (four games this week) is that coached by Mr. and Mrs. Mac Thrash. Fifth grade girls hitting homers were Tracy Bufkin, Cindy Todd, Dede Carroll, Janice Delaney, Fonda Holland and Tonia Edwards.

WE WISH Mrs. Rodney (Janice) Gresham a happy birthday on the 13th. Janice and all her girls, Melissa and Wendy and Robin, recently returned from visiting her brother and his family in Dallas. Rodney took advantage of their little jaunt to the big city to head in the other direction, specifically to Westcliff, Colorado, on a motorcycle tour. Rodney and some buddies rode their two-wheelers (Blasphemy) a hundred miles up in the mountains and turned back only because they ran into rough snow. Snow? What's that? Anyway, the Gresham family is back home reliving their adventures.

MRS. Leonard (Glenna) Schmidt and Mrs. Chink (Gayle) Betty shared birthdays on the tenth of this month. Neither of these ladies would discuss ages. Can't understand it. Your writer has been twenty-nine for many years and doesn't mind telling a soul such fact. So much for sick humor. Many Happy Birthdays to you, Glenna, and many happies to you, Gayle.

MR. AND MRS. Chet Smith celebrated their wedding anniversary on the 12th of this month. Mr. Smith says they planned no special celebration, simply enjoyed each other's companionship, as they have done for the past 29 years. Congratulations to you both, and many more anniversaries to come.

STAN HALL, son of Mr. and Mrs. Bill Hall, celebrated his twelfth birthday on the 14th of this month in Fort Worth. The Hall family travelled to Fort Worth to wish Bill's father, Mr. Harley Hall, an early happy Father's Day, and to make Stan's birthday extra special.

BELATED anniversary wishes to Mr. and Mrs. Bill Hall, who celebrated on the 7th of this month. June is a month for festivities in the Hall family.

JUNE is a busy month for birthdays, too. David Johnson, son of Mr. and Mrs. Carl Johnson, celebrated his birth on the 2nd. He and some of his buddies from the junior high enjoyed a two day party, including a cookout with hamburgers on Friday, spending the night with the Johnson family, and swimming and eating and eating and eating on Saturday. Kurt Johnson, also the son of Mr. and Mrs. Carl Johnson, has more serious plans for his birthday on the 17th. Kurt is working and getting ready for camp—Camp Don Harrington, to be exact. Another important camp goal for scouts, is Philmont, and some boys from Troop 130 have been working to raise money in order to attend this particular camp.

AS MANY of you know, there is a bust of Quannah Parker in the Amphitheater in the Palo Duro State Park. Heretofore this bust rested on a steel rod. Not any more. Kurt, Allen and David Johnson, and Kenny Johnson, son of Mr. and Mrs. Webster Johnson, and David Clark, son of Mr. and Mrs. Bill Clark, with the help of Carl Johnson, have been erecting a stone-work base for Quannah's head to rest upon. A sense of humor causes hard work to go faster, and these young men facetiously referred to their labor as "stoning" Quannah. Not only have these young men learned the true meaning of "paying your own way," but they have contributed to mankind's enjoyment of the facilities at the Amphitheater for years to come.

WESTERN Bowl is conducting free bowling lessons this summer and has extended an invitation for Gene Howe folks to join in on the fun. Classes for youngsters are underway and are full, however, another children's class will start about the 12th of July, and pre-registration can be made with Mrs. Davis at 622-0870 for this class. Bowling classes for ladies are open, these classes last for two hours, shoes and balls are furnished, and free coffee and cokes go with the lessons. Ladies, call Mrs. Davis and get yourselves signed up for these morning lessons. Evening classes for couples are in the formulating stages, and anyone interested should call Mrs. Davis. Repeat, there is no charge for these lessons, so why not give bowling a whirl.

DUANE HARP, son of Bill and Ernestine Harp, visited with his family over the weekend. Duane is working in Hobbs, New Mexico, for Phillips Petroleum, and making quick visits to Amarillo over the weekends, supposedly to see Mommie and Daddie, but a sweet young thing by the name of Amy figures in these visits, too, me thinks.

KAROL Hicks became a teenager on Saturday, the 10th. She celebrated her thirteenth birthday with a slumber party and skating party with Alicia Folkes, Shannon Corbitt and Diana Palmer joining him for the fun. Karol's biggest and bestest present was a horse who goes by the name of Freckles. Freckles will take up residence at the Range Riders Stables as soon as a stall can be readied for him. Freckles came complete with saddle, bridle, halter and all the other tools and accessories horsies need; and, fortunately, Karol learned all the How's and Why's of caring for her present while in girl scouts. Karol is the daughter of Phyllis and Johnny Hicks, and they are as excited about this new member of the family as she is.

A BIT is excitement at the Mulherin home Saturday night—this is a long story so settle down in your easy chair.

PREFACE: As most mothers feel, and Mother Mulherin being no exception, a child's clean bedroom is a good bedroom. To attain this end, mothers are prone to such predictions as, "If you don't clean it, I will," and "How can you stand that mess?", and "There's no telling what's living in that room!"

CHAPTER 1. A few weeks ago, Marty Mulherin's pet hamster, a lady by the name of Brandy, decided that life in a bird cage was not her idea of living, so she sought and obtained her freedom. Sad Marty. **CHAPTER 2.** Saturday evening Kaki decided to retire. Shortly after entering her room, squeals and appeals for help emitted therefrom. She had found the unfortunate Brandy. Thirty minutes of frantic efforts found Brandy back in her bird cage. **CHAPTER 3.** The curtain rises on our little drama Sunday with Marty happily becoming reacquainted with an unhappy Brandy; with a mother saying, "I told you there's no telling what's living in that room!"; and with Kaki busily cleaning her room, perhaps secretly wondering if the snake Marty lost last summer could possible be.....

IN ORDER to save yourselves from further breathtaking happenings at the Mulherin home, call 352-6053.

THANKS for the use of the hall. Troyce

Produce carloads
of sorghum with
NK 222

Growers report
1,000 to 1
return

Successful NK 222 growers like Alvin Meyer have produced over 1,000 lbs. of grain from every pound of seed planted. Meyer seeded 6 lbs. of NK 222 per acre and harvested 6,906 lbs. of grain. Check these carload producing features:

- Rich reddish yellow grain
- High test weight — up to 64 lbs.
- Excellent drought tolerance and smut resistance
- Large berries, roll and flake easily
- Low fiber content — high digestability
- Excellent thrashability

NK 222 is planted by more farmers than any other grain sorghum. Order your seed today.
